

# PRESIDENT HARDING ASKS APPROVAL OF TREATIES BY SENATE

**Says That Failure to Do so Will Make America's Profession a "Hollow Mockery"**  
**Delivers His Message in Person and Shows Deep Emotion—Address is Applauded**

(By The Associated Press)  
WASHINGTON, Feb. 10.—President Harding today asked the senate to give approval to the arms conference treaties that America's professed desire to rid the world of war may not become "a hollow mockery."  
"If we cannot join in making effective these covenants for peace," he said, "and stamp this conference with America's approval, we shall discredit the influence of the Republic, render future efforts futile and unlikely and write discouragement where today the world is ready to acclaim new hope."  
Delivering his message in person, in a voice and manner that betokened deep emotion, the president was answered repeatedly by applause from floor and gallery. He asked that ratification be given without delay and before he left the capitol senate machinery was set in motion to hasten a vote.

## DEEP WATERWAY QUESTION NOT POLITICAL ONE

**Welfare of World Depends on It Townsends Says**

(By The Associated Press)  
DETROIT, Mich., Feb. 10.—Development of the St. Lawrence river is not a political question but one on which the future welfare of the entire world depends, Senator Charles E. Townsend, of the Michigan Tidewater commission today.  
"The only politics entering into the proposition is that based upon sectionalism," the speaker said. "If the eastern cities that now oppose the project because they fear competition with Great Lakes ports would look at this proposition from the standpoint of the good of the country at large, opposition to the waterway scheme would be done away with."  
The senator after reviewing the economic benefits he said would accrue to the middle-west declared the cost of the undertaking would be little more than half of that expended in building the Panama Canal. Yet the commercial possibilities of the St. Lawrence route are greater than ever can be hoped for from the canal, he said.  
In answering arguments against the project that the river is closed to navigation each winter because of ice, Senator Townsend said ocean boats now go as far as Montreal on the St. Lawrence.  
"Ships make Montreal regularly and are subject to winter conditions. It is only reasonable to suppose they could meet the same conditions over the remainder of the route to the Great Lakes," he declared.  
The senator declared the lakes region is the center of the country's population and that much of the food used in the United States was produced in this section. Because of that, he said, the lakes district should become the manufacturing center of America.  
The convention was called by the Michigan Tidewater Commission to crystallize sentiment in favor of the proposed waterway in this state.

## HAS NO SOLUTION TO OFFER IN THE TAYLOR SLAYING

**Mabel Normand Issues Statement Thru Her Manager**

(By The Associated Press)  
LOS ANGELES, Cal., Feb. 10.—Mabel Normand, film comedienne, issued a statement tonight thru her manager in which she declared she could not offer any solution for the mysterious slaying of William D. Taylor, motion picture director. She denied she was in haste with Taylor or had quarreled with him. The statement was issued just before Miss Normand went into the office of the district attorney to be questioned regarding any clue she might be able to give the officers to aid in their search for Taylor's slayer.  
"No one will ever know how I regret the terrible tragedy. I have told truthfully everything I know," the statement added. Ben Smith official court stenographer, was summoned to Mr. Woolwine's office about the slaying. Miss Normand was taken before the district attorney. It was understood the examination of the actress was proceeding before Mr. Woolwine and Mrs. Doran.  
Three city police detectives arrived at the district attorney's office about the slaying. Miss Normand did not know who she was taken before the district attorney. Two of the detectives hurriedly departed on an unnamed mission.  
It was reported tonight also that no such admission had been made at the district attorney's office that five witnesses whose names and knowledge of the case were withheld had been questioned today by that official.  
"I want it to be thoroughly understood," Mr. Woolwine earlier said, "that every effort is being made to solve this mystery which I believe to be one of the most important and baffling murder cases ever developed in California. I can frankly say that nothing has been brought to my attention that affords the slightest lead to the guilty party."

## SECRETARY WEEKS ORDERS REVIEW OF WAR DEPARTMENT

**Will List Men Available For Reserve Service**

(By The Associated Press)  
WASHINGTON, Feb. 10.—Rigid review by the inspector general of all war department activities in Washington to determine how many of approximately 1100 officers on duty here can be made available for service with troops in establishing the organized reserve system has been ordered by Secretary Weeks. With various post-war agencies completing their work, it is believed that from 200 to 300 officers can be obtained in this way for service in the corps areas.  
As the training system for the new army of the United States comprising regulars, national guard and organized reserves gets under way in its preparation for the civilian training camps this summer, a heavy demand for qualified officers has developed and many have already been detached from reserve in Washington to do the work. The eleven hundred total includes officers of the Port Meyer Garrison, those under instruction at the staff college and army medical school, medical officers on duty at Walter Reed general hospital and the staff of the district of Washington headquarters and these activities are distinct from the work of the war department itself so that no large number of officers will be obtained thru the studies the inspector general has initiated.

## DEMAND PROBE OF ORGANIZATION

CHICAGO, Feb. 10.—Executives of the American committee for Russian famine relief today sent telegrams to all United States senators and to members of the national advisory council of the relief committee demanding a congressional investigation of charges against the organization, that some of the funds and supplies it gathered reached the Soviet Russian government.  
The telegram demanded that the American Relief association, headed by Herbert Hoover, be included in the investigation.

## HEARS VOICES: KILLS HIS FATHER

Fort Madison, Iowa, Feb. 10.—Declaring he had been commanded by strange voices in a dream to kill his father, Clark Huff, 26, died during the night and shot to death his father, John Huff, 62, as the latter lay asleep.  
The victim was the father of 13 children. The slayer was adjudged insane today.

## ALL HOUSEHOLD GOODS ARE POINT

Aurora, Ill., Feb. 10.—Conspicuous for Herbert P. Crane, wealthy globe trotter of St. Charles, Ill., admitted today that practically all of the household goods his former wife, Eliza Plaza, Costa Rican beauty, had said she returned to him were found by an inventory committee appointed by Judge Adam Cliffe.

## FURTHER STEPS BEING TAKEN BY GOVERNMENT

**Would Make Treaties Immediately Effective**

(By The Associated Press)  
WASHINGTON, Feb. 10.—Additional steps had been taken by the Washington government even before presentation of the naval limitation and supplementary treaties to the senate today by President Harding to make immediate effective so far as the United States is concerned some of the provisions of those agreements, including the status quo under standing as to Pacific fortifications.  
War department orders have directed the diversion of an assignment of fourteen three light anti-aircraft guns built for the Manila fortifications. They are enroute from San Francisco and will be unloaded at Honolulu. At the same time orders assigning an air service heavy bombardment squadron, now assembled at Mather field, California, to the Philippine forces were rescinded. These orders followed early action by the naval department stopping the shipment of a large assignment of mines to Manila and also the order to suspend work on all new capital ships scheduled for scrapping when the limitation treaty has been ratified. Another special board was created today by the department headed by Rear-Admiral McElroy to determine whether the dreadnaught West Virginia, under construction at Newport News, Va., or the dreadnaught Washington, building at Camden, N. J., should be retained with the dreadnaught Colorado also building at Camden to make up the two post-Jatland ships to be included in the American fleet as an equivalent for Japan's retention of the battleship Mutsu of about the same type.  
By the terms of the treaty none of these steps are required at this time, but the government apparently has adopted a possibility of going beyond the strict letter of the treaty, evidencing in advance by specific acts its intention to live up to the full spirit of the treaty engagements.

## MORGAN COUNTY BAR HELD ANNUAL BANQUET

Address on Immigration Made by Justice Floyd Thompson—Election Judge E. P. Brookhouse Made President.  
Members of the Morgan county bar held their annual banquet Friday night at Colonial Inn. They assembled there at 6:30 o'clock when a splendid dinner was served. The principal address was made by Justice Floyd E. Thompson of the Illinois supreme court. Justice Thompson discussed, "Present Immigration Laws and some of the 'Unfair Provisions.'" He believes that it would be a great improvement if agents of the government were located at the points of embarkation.  
B. L. Catron, recently elected member of the constitutional convention, discussed some matters relating to tax revision which have been considered by the convention.  
Former Senator Logan Hay of Springfield, was another guest and spoke informally upon, "Educational Requirements for admission to the Bar."  
Following these addresses came an informal discussion, the event proving one of the most enjoyable in the history of the bar association. The appointments for the dinner were all that the company could desire.  
A brief business session was held, resulting in the election of Edward P. Brookhouse as president. John M. Butler was chosen vice president and Henry W. English and Walter V. Wright were respectively elected secretary and treasurer. Walter Bollatti, and Frederick H. Bollett, presided during the evening and introduced the various speakers.

## CAMP FIRE GROUP ASSIGNED QUARTERS

The Galatka Camp Fire Girls have been assigned a room in the Pilgrim Memorial Congregational church. The first meeting there was held Friday evening, when plans were discussed and committees appointed to provide ways for furnishing the room. The girls greatly appreciated the action of Rev. George E. Stuckney and the Congregational people in making it possible for them to have this regular club headquarters. The next meeting will be held Feb. 22.

## RUBLE TUMBLER ON PRIVATE EXCHANGE

MOSCOW, Feb. 10.—Altho the official exchange rate has been fixed at 200,000 to the dollar, the ruble tumbled on private exchanges today to between five and six hundred thousand to the dollar. This is the lowest ruble quotation on record and was accompanied by a rise in the prices of foodstuffs and all commodities.

JACKSON, Miss., Feb. 10.—Charging violations of the anti-trust laws of the state, suits were filed in the chancery court of Covington county today, against 41 life insurance companies doing business in the state since 1908, by District Attorney A. J. Browning, for use of the state. The penalties asked aggregate \$39,000,000.

## NATIONAL G. O. P. CONVENTION IS RECALLED

Horace H. Bancroft will likely be one of the Jacksonville people going to Springfield Sunday for the Lincoln Memorial celebration when Vice President Coolidge and General Pershing will make addresses. Local people who happened to be present at the final hours of the last national Republican convention will remember that Mr. Bancroft as an aide to Chairman Lodge called the roll and put the motion whereby Mr. Coolidge was declared the nominee of the convention for vice-president.  
In the closing hours of the convention Chairman Lodge's voice failed him and Charles H. Hillier, secretary of the convention, was elected in the same condition. It was noted that Mr. Bancroft, who had been on duty for several days, was in his customary good voice and was thus able to come to the aid of the chairman.  
For a period of several hours Senator Lodge addressed the convention thru Mr. Bancroft and as indicated, it was during this period that the popular governor of Massachusetts was made the party nominee for the second place on the ticket.

## REBEKAHS WILL HAVE ROLL CALL

At the regular meeting of Jacksonville Rebekah lodge No 13 it was decided to have the annual roll call at the next regular meeting to be held February 24.  
A committee consisting of Miss Forth Haight, J. E. Scott, Miss Minnie Scott and Mr. and Mrs. Asa M. Robinson was appointed to arrange the program. The social committee will have charge of the refreshments.

## LAST DAY FOR FILING

City Clerk J. E. Scott said yesterday that the last day for filing petitions for aldermen at the coming city election would be February 21.  
February 22 is really twenty days before the primary. However, it is Washington's birthday, and a legal holiday. Mr. Scott set the 21st as the final filing day.

## HOUSE WAYS AND MEANS COMMITTEE AGREES ON PLAN

**Designate Taxes for Payment of Soldier Bonus**

(By The Associated Press)  
WASHINGTON, Feb. 10.—This program of soldiers' bonus taxes was agreed upon today by a house ways and means sub-committee.  
Tax and one half per cent on the undivided profits of corporations, estimated to yield \$22,000,000.  
On parcel post packages on which the postage amounts to 25 cents or more tax of one cent for each 25 cents or fraction thereof, \$26,000,000.  
One cent a gallon on gasoline, \$70,000,000.  
Twenty five cents per horse power on automobiles, \$50,000,000.  
Double the present ten per cent tax on admissions where the charge exceeds 25 cents, \$60,000,000.  
Double existing documentary stamps taxes except in the case of sales or transfer of capital stock on which the rate would be increased from 1-50 of one per cent to 1-10 of one per cent, \$54,000,000.  
An increase of fifty cents per one thousand in the tax on cigarettes, \$25,000,000.  
An increase of two cents a pound on smoking and chewing tobacco \$50,000,000. This program was later submitted to the majority members of the senate finance committee who discussed it with the house sub-committee members for nearly an hour without any conclusions. The conference will be resumed tomorrow.  
Meantime another sub-committee will continue work on the bonus bill itself and it was the hope of Chairman Fordney and others to have the completed measure with the appended tax program ready for the house within a week or ten days.

## DAUGHERTY SAYS KENYON ELIGIBLE FOR JUDGE'S JOB

**Gives This Opinion to President Harding Friday**

(By The Associated Press)  
WASHINGTON, Feb. 10.—Senator William S. Kenyon, of Iowa, can legally qualify as judge of the United States circuit court in the eighth district to which he was recently appointed by President Harding and confirmed by the senate, Attorney General Daugherty holds in an opinion transmitted to President Harding which was made public today.  
The opinion was requested by the president after doubt had arisen in some circles concerning the senator's eligibility because of the constitutional provision which prohibits a senator or representative being appointed to a civil office under the federal government if "the emoluments whereof" have increased during the time for which the senator or representative was elected.  
The salaries of circuit judges were increased from \$7,000 to \$8,500 in February 23, 1919, whereas Senator Kenyon did not begin his present term until March 4, 1919 that he does not come within the meaning of the prohibition the attorney declared.

## MANY PETITION OF CANDIDATES FILED YESTERDAY

**Nearly Five Hundred Received by Secretary Emerson**

(By The Associated Press)  
SPRINGFIELD, Ill., Feb. 10.—Nearly 500 Republican and Democratic candidates for congress, the legislature and state committees filed their petitions for the April 11 primaries with Secretary of State Emerson today.  
Candidates for the legislature, over 300 in number, include one woman, Alice O. Curran, Republican of McComb in the thirty-second district.  
Another woman, Catherine A. Conklin, of Chicago, files as a candidate for the Republican state committeeman from the Tenth District.  
The time for filing primary petitions will begin Monday, March 2. Several known candidates for congress and numerous candidates for the legislature, Republicans and Democrats, did not get their petitions in the first day's mail.  
Filing for the two state offices—treasurer and superintendent of public instruction—was light. Oscar Nelson, of Geneva, Republican was the only candidate for state treasurer who filed today. Superintendent Francis G. Blair who is seeking re-election filed the only Republican petition for the office and John Duda of Chicago filed for the Democratic primary.  
Among the petitions filed which are of local interest are the following:  
For Congressman Twentieth District, Guy L. Shaw, Republican, Henry T. Rainey, A. T. Lucas and L. H. Whitner, Democrats.  
State Senator—John A. Wheeler, Earl E. Seagr, William A. Pavy, Republicans.  
State Central Committeemen, 20th District, Elmer Simpson, Republican; James McNabb, Democrat.  
Fifteenth District—George H. Wilson, Republican.  
Twenty-First District—George E. Keys, Republican.

## VIOLATION OF CIVIL SERVICE LAWS ALLEGED

**Chicago Man Lays Matter Before Sangamon Attorney**

(By The Associated Press)  
SPRINGFIELD, Ill., Feb. 10.—Alleged violations of the state civil service laws were laid before State's Attorney C. F. Mortimer of Sangamon county today by R. E. Blackwood of Chicago, attorney for the civil service reform association.  
"For many years the organization I represent has operated service laws," Blackwood said, "in some instances employees have been discharged as a result of our efforts. Recently attempted to investigate numerous charges concerning the operation of the state civil service laws. For the first time we were denied access to records in the office of the state civil service commission. We elude the charges made to us as so serious as to warrant a thorough investigation and being denied the privilege of conducting one in the usual way, we are calling them to Mr. Mortimer's attention."  
What the alleged violations were, Mr. Blackwood did not specify.

## BEACH CONTINUES HIS TESTIMONY

(By The Associated Press)  
WASHINGTON, Feb. 10.—Resuming his testimony on the Ford offer for the outright purchase and lease for one hundred years of the government's \$106,000,000 nitrate and water power projects at Muscle Shoals, Ala., Major General Beach, chief of army engineers, reiterated today his opinion that conditions prevailing in that section of the country might justify the hundred year permit and prove the fifty year time limit suggested by Secretary Weeks to be inadvisable.  
Representative McKenzie, Republican of Illinois asked the general if he could assure the committee the United States would be able to meet all requirements imposed by the Ford contract.

## DEAF AND DUMB USE ROUGH LANGUAGE

Chicago, Feb. 10.—"Rough language" used by Mrs. Euphelia Fuller, deaf and dumb was said by her husband, also deaf and dumb, to have caused their marital difficulties when he testified in his suit for divorce today.  
How could she use rough language when she is a mute? asked Judge Sabath thru a third person who understood sign language.  
"That was just the trouble," came back the reply thru the interpreter. "She could say many things on her fingers she would dare to have said out loud."

These orders followed early action by the naval department stopping the shipment of a large assignment of mines to Manila and also the order to suspend work on all new capital ships scheduled for scrapping when the limitation treaty has been ratified. Another special board was created today by the department headed by Rear-Admiral McElroy to determine whether the dreadnaught West Virginia, under construction at Newport News, Va., or the dreadnaught Washington, building at Camden, N. J., should be retained with the dreadnaught Colorado also building at Camden to make up the two post-Japan ships to be included in the American fleet as an equivalent for Japan's retention of the battleship Mutsu of about the same type.

By the terms of the treaty none of these steps are required at this time, but the government apparently has adopted a possibility of going beyond the strict letter of the treaty, evidencing in advance by specific acts, its intention to live up to the full spirit of the treaty engagements.

# DEEP WATERWAY QUESTION NOT POLITICAL ONE

## Welfare of World Depends on It Townsend Says

(By The Associated Press)

DETROIT, Mich., Feb. 10.—Development of the St. Lawrence river is not a political question but one on which the future welfare of the entire world depends, Senator Charles E. Townsend said today.

"The only politics entering into the proposition is that based on sectionalism," the speaker said. "If the eastern cities that now oppose the project because they fear competition with Great Lakes ports would look at this proposition from the stand point of the good of the country at large, opposition to the waterway scheme would be done away with."

The senator after reviewing the economic benefits he said would accrue to the middlewest declared the cost of the undertaking would be little more than half of that expended in building the Panama Canal. Yet the commercial possibilities of the St. Lawrence route are greater than ever can be hoped for from the canal, he said.

In answering arguments against the project that the river is too close to navigation each winter because of ice, Senator Townsend said ocean boats now go as far as Montreal on the St. Lawrence.

"Ships make Montreal regularly and are subject to winter conditions. It is only reasonable to suppose they could meet the same conditions over the remainder of the route to the Great Lakes," he declared.

The senator declared the lakes region is the center of the country's population and that much of the food used in the United States was produced in this section. Because of that, he said, the lakes district should become the manufacturing center of America.

"The convention was called by the Michigan Tidewater Commission to crystallize sentiment in favor of the proposed waterway in this state."

# CHICKEN SUPPER POISONS GUESTS

BRISTOL, Penn., Feb. 10.—Something in a chicken supper served by the Ladies Auxiliary of the American Legion last night caused 100 persons to be stricken ill today. Physicians said ptomaine poisoning was the cause.

The menu included creamed chicken, home baked waffles, preserved peas and ice cream. Three hundred guests escaped illness.

JACKSON, Miss., Feb. 10.—Charging violations of the anti-trust laws of the state, suits were filed in the chancery court of Covington county today against 11 life insurance companies doing business in the state since 1908, by District Attorney A. J. Browning, for use of the state. The penalties asked aggregate \$89,000,000.

# NATIONAL G. O. P. CONVENTION IS RECALLED

Horace H. Bancroft will likely be one of the Jacksonville people going to Springfield Sunday for the Lincoln Memorial celebration when Vice President Coolidge and General Pershing will make the addresses. Local people who happened to be present at the final hours of the last national Republican convention will remember that Mr. Bancroft as an aide to Chairman Lodge called the roll and put the motion whereby Mr. Coolidge was declared the nominee of the convention for vice-president.

In the closing hours of the convention Chairman Lodge's voice failed him and Charles Hillies, secretary of the convention, was in the same condition. It so happened that Mr. Bancroft, who had been on duty for several days, was in his customary good voice, and was thus able to come to the aid of the chairman.

For a period of several hours Senator Lodge addressed the convention thru Mr. Bancroft and as indicated, it was during this period that the popular governor of Massachusetts was made the party nominee for the second place on the ticket.

# RUBLE TUMBLES ON PRIVATE EXCHANGE

MOSCOW, Feb. 10.—Altho the official exchange rate has been fixed at 280 rubles to the dollar, the ruble tumbled on private exchanges today to between five and six hundred thousand to the dollar. This is the lowest ruble quotation on record and was accompanied by a rise in the prices of foodstuffs and all commodities.

# TWO HUNDRED RUSSIAN RELIEF ORGANIZATIONS

## Many are Communist, Says Secretary Hoover

(By The Associated Press)

WASHINGTON, Feb. 10.—More than 200 Russian relief organizations operating in this country are described as frankly communist in character by Secretary Hoover in a report to president Harding made public tonight which discusses the general status of efforts to combat famine in soviet Russia.

The report divides the relief organizations at work in this country into groups and declares that the American Federated Russia famine relief committee of New York acting as purchasing agent, has apparently obtained about \$350,000 in cash and some \$200,000 in supplies from organizations connected with the soviet government operating in New York, Chicago and other American and Canadian cities.

"One group of these committees," Mr. Hoover said, "comprising the friends of soviet Russia, the soviet Russian medical relief society the technical aid to soviet Russia and some two hundred affiliated organizations whose activities are under the general direction of Dr. Jacob Hartman, are frankly communist in character and are seeking to bring about the soviet revolution in the United States and sending their supplies to the communist authorities in Russia."

# HOUSE WAYS AND MEANS COMMITTEE AGREES ON PLAN

## Designate Taxes for Payment of Soldier Bonus

(By The Associated Press)

WASHINGTON, Feb. 10.—This program of soldiers' bonus taxes was agreed upon today by a house ways and means subcommittee.

Two and one half per cent on the undivided profits of corporations, estimated to yield \$22,000,000.

On parcel post packages on which the postage amounts to 25 cents or more tax of one cent for each 25 cents or fraction thereof, \$20,000,000.

One cent a gallon on gasoline, \$70,000,000.

Twenty five cents per horse power on automobiles, \$50,000,000.

Double the present ten per cent tax on admissions where the charge exceeds 25 cents, \$60,000,000.

Double existing documentary stamps taxes except in the case of sales or transfer of capital stock on which the rate would be increased from 1-50 of one per cent to 1-10 of one per cent, \$64,000,000.

An increase of fifty cents per one thousand in the tax on cigarettes, \$25,000,000.

An increase of two cents a pound on smoking and chewing tobacco \$50,000,000. This program was later submitted to the majority members of the senate finance committee who discussed it with the house subcommittee members for nearly an hour without any conclusions. The conference will be resumed tomorrow.

Meantime another subcommittee will continue work on the bonus bill itself and it was the hope of Chairman Fordney and others to have the completed measure with the appended tax program ready for the house within a week or ten days.

# DAUGHERTY SAYS KENYON ELIGIBLE FOR JUDGE'S JOB

## Gives This Opinion to President Harding Friday

(By The Associated Press)

WASHINGTON, Feb. 10.—Senator William S. Kenyon, of Iowa, can legally qualify as judge of the United States circuit court in the eighth district to which he was recently appointed by President Harding and confirmed by the senate, Attorney General Daugherty holds in an opinion transmitted to President Harding which was made public today.

The opinion was requested by the president after doubt had arisen in some circles concerning the senator's eligibility because of the constitutional provision which prohibits a senator or representative being appointed to a civil office under the federal government if the emoluments thereof have increased during the time for which the senator or representative was elected.

The salaries of circuit judges were increased from \$7,000 to \$8,500 in February 25, 1919, whereas Senator Kenyon did not begin his present term until March 4, 1919 that he does not come within the meaning of the prohibition the attorney declared.

# UNION MEN ATTEND FUNERAL OF STRIKER

The union miners, the mill workers and friends and relatives walked behind the casket from Tiltonville to the village.

The funeral cortege was met here by the Martins Ferry lodges of the Elks and the Eagles, of which organization Kost was a member.

Yorkville was quiet today.

# REBEKAHS WILL HAVE ROLL CALL

At the regular meeting of Jacksonville Rebekah lodge No 13 it was decided to have the annual roll call at the next regular meeting to be held February 24.

A committee consisting of Miss Fern Haigh, J. E. Scott, Miss Minnie Scott and Mrs. Asa M. Robinson was appointed to arrange the program. The social committee will have charge of the refreshments.

# CONSIDERATION IS POSTPONED

Indianapolis, Ind., Feb. 10.—Final consideration by the scale committee of the United Mine Workers of America of proposed demands of soft coal miners for the basis of new working agreements, effective April 1, was postponed today until next Monday, the day before the union's special convention meets here to pass on the demands.

# LAST DAY FOR FILING

City Clerk J. E. Scott said yesterday that the last day for filing petitions for aldermen at the coming city election would be February 21.

February 22 is really twenty days before the primary. However as it is Washington's birthday, and a legal holiday Mr. Scott set the 21st as the final filing day.

# MANY PETITION OF CANDIDATES FILED YESTERDAY

## Nearly Five Hundred Received by Secretary Emmerson

(By The Associated Press)

SPRINGFIELD, Ill., Feb. 10.—Nearly 500 Republican and Democratic candidates for congress, the legislature and state committees filed their petitions for the April 1 primaries with Secretary of State Emmerson today.

Candidates for the legislature, over 300 in number, include one woman, Alice O. Curran, Republican of Macomb in the thirty-second district.

Another woman, Catherine A. Conklin, of Chicago, files as a candidate for the Republican state committeeman from the Tenth District.

The time for filing primary petitions will begin Monday, March 2. Several known candidates for congress and numerous candidates for the legislature Republicans and Democrats, did not get their petitions in the first day's mail.

Filing for the two state offices—treasurer and superintendent of public instruction—was light. Oscar Nelson, of Geneva, Republican was the only candidate for state treasurer who filed today. Superintendent Francis G. Blair who is seeking re-election filed the only Republican petition for the office and John Duda of Chicago filed for the Democratic primary.

Among the petitions filed which are of local interest are the following:

For Congressman Twentieth District, Guy L. Shaw, Republican, Henry T. Rainey, A. T. Lucas and L. H. Whitner, Democrats.

State Senator—John A. Wheeler, Earl B. Searcy, William A. Pavey, Republicans.

State Central Committeemen, 20th District, Elmer Simpson, Republican; James McNabb, Democrat.

Fifteenth District—George H. Wilson, Republican.

Twenty-First District—George E. Keys, Republican.

# VIOLATION OF CIVIL SERVICE LAWS ALLEGED

## Chicago Man Lays Matter Before Sangamon Attorney

(By The Associated Press)

SPRINGFIELD, Ill., Feb. 10.—Alleged violations of the state civil service laws were laid before State's Attorney C. F. Mortimer of Sangamon county today by R. E. Blackwood of Chicago, attorney for the civil service reform association.

"For many years the organization I represent has co-operated service laws," Mr. Blackwood with officials in enforcing civil said, "in some instances employees have been discharged as a result of our efforts. Recently attempted to investigate numerous charges concerning the operation of the state civil service laws. For the first time we were denied access to records in the office of the state civil service commission. We elude the charges made to us are so serious as to warrant a thorough investigation and being denied the privilege of conducting one in the usual way, we are calling them to Mr. Mortimer's attention."

What the alleged violations were, Mr. Blackwood did not specify.

value over grain gifts made as of a few weeks ago. The markets are steadily improving.  
Now it is said that Senator Kenyon is not eligible to the federal judgeship to which he has been appointed because the salary of this office has been increased during his membership in the senate. Possibly by a little side stepping the appointment could be brought about. The senator might resign his seat and take chances on the appointment being made at a later time.

Many financial men have declared that business conditions in the United States would be decidedly better as soon as a plan was devised for the refunding of the debts of foreign nations. Now that the bill has been passed and signed creating the machinery and giving the authority for this very thing, the proof can soon be had as to the correctness of this financial prophecy.

The trucks which are to be used between Jacksonville and Springfield have sign boards with the words “bonded truck.” A glance at one of these powerful machines gives a suggestion of what the railroads are up against in competition these days, as hard road mileage increases.

Mr. Breckenridge, who is a candidate for the senatorship from Missouri, is attacking the record of the arms conference. He maintains that it was a mistake to discuss political questions there and that Germany should not have been excluded.  
Nobody will pay much attention to the criticism, remembering that a candidate for office must have some text.

Jacksonville should be largely represented at the Ocean to Ocean highway convention in Springfield Monday. The plan is to have a state meeting of such enthusiasm that the state authorities will be impressed with the need for making this a hard road just as soon as possible.

Further, the more attention that is called to this great cross country highway, the better it will be for the various states and countries thru which the highway passes. The past year there was

an immense amount of travel over this road and that travel will increase.

Merely as a business point of view, it is very necessary for Jacksonville to do its full share in boosting for the Ocean to Ocean highway, which in official designation now uses the words, “and the Pershing Route.”

It is quite likely that at some future date the present long official name will be shortened to the Pershing Highway. It was something with this thought in view that arrangements were made for General Pershing to give the address at the state meeting Monday.

PAYING THE PARSON.

For the benefit of Jacksonville ministers the following is reprinted from the Sioux City Tribune: “If you are happily married, did it ever occur to you that the preacher who performed the ceremony should receive a little credit for ‘tying the knot securely?’ No doubt a Minneapolis man believes this to be true, according to a letter and \$20 that the Rev. R. N. McKaig received the other day. Just 20 years ago, Mr. McKaig performed a simple wedding ceremony in Minneapolis. He had forgotten all about the couple until he received the letter. Then he had to search his records to make sure the letter and draft were not sent to him by mistake. The letter says that after 20 years of cruising on the sea of matrimony, the writer finds that his wife is more wonderful and a better woman than he ever dreamed she could be. For this the writer is thankful and upon the twentieth anniversary of their wedding the husband penned a letter to the Rev. Mr. McKaig and sent a dollar for each year of wedded life.”

COMMITTEE REPORTS ON SOLDIERS' HOME

Representatives of G. A. R. Found Home at Quincy in Fine Condition.

Some weeks ago a committee representing the state G. A. R., inspected the Illinois Soldiers' Home at Quincy. The chairman of this committee was John M. Snyder of Canton and the secretary was R. I. Shaw of Galesburg. L. Goben and S. O. Barr of Matt Starr Post No. 378, were members of the committee.

The report which was recently filed lays special emphasis upon the fine sanitary conditions which prevail at the home, the committee having made a thorough investigation of all departments. The committee expresses the belief that the present medical staff is especially able, giving the best of care to the invalid and infirm. Members of the committee interviewed a number of the residents at the home and found them all thoroughly satisfied with the care they are receiving. The oldest member of the home is Comrade William Tyler, who was 92 years of age on Christmas day. It is an interesting fact that Comrade Tyler was married for the second time in February, 1921.

Referring again to the fine and cleanly conditions in the home, the report says:

“The Home was, and is, a delightful retreat to the members, nearly all of whom are anxiously awaiting the sounding of taps, when their remains can be laid to rest ‘over the hill’ as the beautiful home cemetery is termed by the ‘boys in blue,’ where lie at rest many of the former residents of the home. The hundreds of wives of the comrades and widows of many comrades who are honored members of the home, impart a home like air to the surroundings reminding all, both members and visitors, of their youthful home, in which women, mothers, sisters and wives were the attraction of home.”

The committee also especially commends the good work now being done by Col. J. W. Reig, who is the managing officer of the home. The committee thinks him a fit successor to Capt. John E. Andrews, who was for so long a time the popular and esteemed superintendent. Col. Reig extended the committee every courtesy and aided them in their inspection.

The following statistics are given in the report to indicate the number of veterans now receiving care there:

On January the following statistics were kindly furnished by Col. J. W. Reig, managing officer of the home. This title is now the legal one taking the place of the former one, “Superintendent of the Home.” Total present 1,207, of which men, 852; women, 355; on furlough, men, 245, women, 163; number in hospital, men, 158, women, 192; average age of the members 73 years; number of civilian employees, men, 71, women, 160; number buried in the home cemetery, men, 2,854, women, 112, total, 2,966.”

**FAMILY REUNION AT JERSERVILLE**

P. A. Heneghan, Jr. of This City Will be Present at Golden Wedding Anniversary of Parents.

Philip A. Heneghan, Jr. of this city expects to spend tomorrow in Jacksonville, where he will go to be present at a family reunion in honor of the golden wedding anniversary of his parents, Mr. and Mrs. Philip A. Heneghan, Sr. This will be the second reunion in honor of the event, as a dinner was given last Tuesday as an observance of the important occasion.

One son, John Heneghan, was unable to be present at the time, and so the second reunion was planned.

A recent issue of the Jacksonville Democrat has the following facts about the celebration:

"Mr. and Mrs. Heneghan were married February 7, 1872, in St. Francis Xavier's church in this city, the late Rev. Father Hartly, then pastor, officiating. Mrs. Mary Heneghan, nee Carroll and the late John Heneghan of Jacksonville were their attendants. Before her marriage, Mrs. Heneghan was Miss Mary Heffron, a native of County Mayo, Ireland. She came to the United States in 1870, spent two years at Utica, N. Y., and then came to Illinois to join her mother, step-father, three brothers and a sister, who were living near Kane, Mr. Heneghan also a native of County Mayo, Ireland, had come to the United States in 1866, spent a year in New York state, then came to Illinois. Mrs. Heneghan's stepfather, the late Patrick Heneghan, so after she came to Illinois, a friendship that began in the Old Country was renewed, and she and Mr. Heneghan were married in 1872. They went to house-keeping on a farm near Kane, in Greene county, and lived there twenty-two years, when they moved to their farm east of Jacksonville in 1895. This farm is now occupied by their son, Gus Heneghan. They retired from farming and moved to town six years ago. Mr. and Mrs. Heneghan are well known throughout Jersey county. Mr. Heneghan is recognized for his integrity and honesty, through which, with his industry, he made a success, unassisted and he and his wife are among our most substantial citizens. He will be 79 years old February 26th and she is 72.

"Guests at the dinner to be given Sunday in celebration of the golden wedding will include James Heneghan of Chicago; Attorney George Heneghan and Leo Heneghan of St. Louis; Philip Heneghan, Jr. of Jacksonville; Matthew Heneghan and family; Gus Heneghan and family; Miss Nellie Heneghan; Mrs. John Flynn; Mrs. Agnes Howe; Judge and Mrs. William T. Sumner; Mr. and Mrs. J. W. Sumner; Mrs. Theresa Hanley and daughter, Miss Loretta Hanley."

**PARENT-TEACHER DISTRICT MEETING**

Will be Held at High School Friday, February 17—Main Address to be Given by Mrs. W. F. Young.

A council of Parent-Teachers' Associations, the first of its kind to be held in Jacksonville is to convene here at the Jacksonville High school next Friday the 17th of February. The meeting is the first annual conference of the thirteenth district of the Illinois Council of Parent-Teacher Associations and delegates from six counties will be in attendance. Mrs. W. D. Roberts of this city, is the Regional Director and will have charge of the meetings and of the arrangements for the conference.

The conference to be held in Jacksonville is one of many such gatherings being held all over the state this year. At the meetings the work of the Parent-Teacher organizations all over Illinois is explained and discussed with the idea of cooperating with each other in the furtherance of educational principles ideals. Men and women of note will address the delegates and it is believed that the cooperative movement between teachers and parents, which has been given such an impetus during the last few years, will be much aided by the coming conference.

The six counties represented in the Jacksonville district are, Morgan, Cass, Greene, Mason, Brown and Schuyler. It is hoped that each county will send several delegates. The meeting will be held at the high school and will begin in the morning. All parents in the city, especially mothers, are urged to go and spend the day. Luncheon will be served at noon at the high school cafeteria and there will be time to discuss the morning and afternoon sessions for the delegates, and others present, to go over the new high school building. There will be no school on Friday owing to a county convention and this fact will give all teachers and parents an opportunity to attend the conference.

The main address of the day will be given by Mrs. W. F. Young of Chicago, the state president of the Illinois Council of Parent-Teacher Associations. Her address will be on, "The Function of a Parent-Teacher Association" and will be of great interest to all those who are interested in the modern movement in American schools. All who are able are especially urged to hear Mrs. Young as she will undoubtedly have a helpful and enlightening message on the splendid work which American organizations of parents and teachers are doing at the present day.

The following program has been announced for the conference:

Program—10 O'clock.

Mrs. W. D. Roberts, presiding.

Music—Boys Glee Club of High school.

Address of welcome—Mrs. H. Ambrose Perrin, Supt. Jacksonville schools.

Address—"Health"—Dr. H. C. Woltman, county physician.

Reports of delegates.

Question box.

Address—"Moral Values in Education"—R. E. Sweet, Prof. of philosophy and education, Illinois College.

Adjournment, 12:30.

Luncheon, High school cafeteria.

Program—1:30.

Music—Trebble clef of high school.

Address—"The Function of a Parent-Teacher Association."—Mrs. W. F. Young, president of Illinois Council of Parent-Teacher Associations.

Vocal solo—Marguerite Palmer-Forrest.

Address—"Mothers' Pension Bill"—Mr. Carl Robinson, states attorney.

**PIMPLY? WELL, DON'T BE**

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there is no sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cursed with a dark brown taste, a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face. Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.

**Common Sense About Eczema and Eruptions!**

Here's Something About S. S. S. That You'll Be Glad to Hear.

You might just as well know it right now—the cause of skin eruptions, pimples, blackheads, boils and so on, is right in the blood. There is no getting away from it. Science has proved it. We prove it. You can prove it. When the cause of skin troubles and eruptions is in the blood, it isn't coming from the outside.

Let S. S. S. Give You An Angelic Skin! Common sense to simply treat the skin. A bottle of S. S. S. will show you what is happening in your blood. S. S. S. is a scientific blood purifier—it drives out the impurities which cause eczema, tetter, rash, pimples, boils, blackheads, blotches and other skin eruptions. When these impurities are driven out, you can't stop several very nice things from happening. Your skin turns naturally rosy. Your eyes sparkle, your complexion clears. It becomes beautiful. Your face looks like that of a healthy, rosy, well-fed, refined gentleman, or if you are a woman, your complexion becomes the real kind that the whole world so admires. S. S. S. is also a powerful body-builder, because it builds new and more blood cells. That's why it fills out sunken cheeks, bony necks, thin limbs, helps regain lost flesh. It costs little to have this happen to you. S. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.

Mrs. Heneghan's stepfather, the late Patrick Heneghan, was a brother of Philip Heneghan, so after she came to Illinois, a friendship that began in the Old Country was renewed, and she and Mr. Heneghan were married in 1872. They went to house-keeping on a farm near Kane in Greene county, and lived there twenty-two years, when they moved to their farm east of Jerseyville in 1895. This farm is now occupied by their son, Gus Heneghan. They retired from farming and moved to town six years ago. Mr. and Mrs. Heneghan are well known throughout Jersey county. Mr. Heneghan is recognized for his integrity and honesty, through which, with his industry, he made a success, unassisted and he and his wife are among our most substantial citizens. He will be 79 years old February 20th and she is 72."

"Guests at the dinner to be given Sunday in celebration of the golden wedding will include James Heneghan of Chicago; Attorney George Heneghan and Leo Heneghan of St. Louis; Philip Heneghan, Jr., of Jacksonville; Matthew Heneghan and family; Gus Heneghan and family; Miss Nellie Heneghan; Mrs. John Flynn; Mrs. Agnes Howe; Judge and Mrs. J. W. Sumner; Mr. and Mrs. J. W. Sumner; Mrs. Loretta Hanley and daughter, Miss Theresa Hanley."

## PARENT-TEACHER DISTRICT MEETING

Will be Held at High School Friday, February 17—Main Address to be Given by Mrs. W. F. Young.

A council of Parent-Teachers' Associations, the first of its kind to be held in Jacksonville is to convene here at the Jacksonville High school next Friday the 17th of February. The meeting is the first annual conference of the thirteenth district of the Illinois Council of Parent-Teacher Associations and delegates from six counties will be in attendance. Mrs. W. D. Roberts of this city, is the Regional Director and will have charge of the meetings and of the arrangements for the conference.

The conference to be held in Jacksonville is one of many such gatherings being held all over the state this year. At the meetings the work of the Parent-Teacher organizations all over Illinois is explained and discussed with the idea of cooperating with each other in the furtherance of educational principles ideals. Men and women of note will address the delegates and it is believed that the cooperative movement between teachers and parents, which has been given such an impetus during the last few years, will be much aided by the coming conference.

The six counties represented in the Jacksonville district are, Morgan, Cass, Greene, Mason, Brown and Schuyler. It is hoped that each county will send several delegates. The meeting will be held at the high school and will begin in the morning. All parents in the city, especially mothers, are urged to go and spend the day. Luncheon will be served at noon at the high school cafeteria and there will be time between the morning and afternoon sessions for the delegates, and others present, to go over the new high school building. There will be no school on Friday owing to a county convention and this fact will give all teachers and parents an opportunity to attend the conference.

The main address of the day will be given by Mrs. W. F. Young of Chicago, the state president of the Illinois Council of Parent-Teacher Associations. Her address will be on "The Function of a Parent-Teacher Association" and will be of great interest to all those who are interested in the modern movement in American schools. All who are able are especially urged to hear Mrs. Young as she will undoubtedly have a helpful and enlightening message on the splendid work which American organizations of parents and teachers are doing at the present day.

The following program has been announced for the conference:

Program—10 o'clock.

Mrs. W. D. Roberts, presiding.

Music—Boys Glee Club of High school.

Address of welcome—Mrs. H. Ambrose Perrin, Supt. Jacksonville schools.

Address—"Health"—Dr. H. C. Woltman, county physician.

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.

## Common Sense About Eczema and Eruptions!

Here's Something About S. S. S. That You'll Be Glad to Hear.

You might just as well know it right now—the cause of skin eruptions, pimples, blackheads, boils and so on, is right in the blood. There is no getting away from it. Science has proved it. We prove it. You can prove it.

When the cause of skin troubles and eruptions is in the blood, it isn't coming from the outside.

Let S. S. S. Give You An Angelic Skin! Don't sense to simply treat the skin. A bottle of S. S. S. will prove to you what is happening in your blood. S. S. S. is a scientific blood cleanser—it draws out the impurities which cause a skin eruption, rash, pimples, boils, blackheads, blotches and other skin eruptions. When these impurities are driven out, you can't stop several very nice things from happening. Your skin turns naturally rosy. Your eyes sparkle, your complexion clears. It becomes beautiful. Your face looks like that of a prosperous, ruddy, well-fed, refined woman. Your complexion becomes the real kind that the whole world so admires. S. S. S. is also a powerful body-builder, because it builds new and more blood cells. That's why it fills out sunken cheeks, bony necks, thin limbs, helps regain lost flesh. It costs little to have this happen to you. S. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.

## NORMAL TACKLES ILLINOIS TONIGHT

Illinois Won 7-0 at Normal Three Weeks Ago, 32 to 24—Coach Harmon Expects Hard Game Tonight

Tonight at 7:30 in the David Prince gymnasium Illinois College and Normal will meet in their second game of basketball. Three weeks ago Illinois won from Normal at Normal by the score of 32 to 24. At the end of the first half the score stood 12 to 10 in favor of Illinois and it was not until well toward the close of the game that Illinois took two scoring spurts which placed the contest on a safe margin.

According to the Bloomington papers Normal is coming down prepared to get revenge. The Normal team had been reconstructed just before the Illinois game and the Normal supporters feel that they are now ready to do themselves justice. Butzow, who was the scoring ace for the Normal team in the first game, is a former Wesleyan University player. He played a fine floor game and came through with six field goals and four free throws, making a total of 16 points out of the 24 scored by his team. He will be a marked man in tonight's game.

It was in the Normal game that Capt. Mellon of the Illinois team started on a rampage which he continued in the Eureka game. In each contest he scored

7 field goals and altogether played two of the best games of his career. Also it was in the Normal game that Dale first got a chance to show his ability. He scored three field goals and in the Eureka game he hung up four just to show that his first performance was no fluke.

The probable line-up of the two teams in tonight's game are: Illinois—Normal—Antrobus, Butzow, Dale, Mellon, Sullivan, Culy, Changnon, Hiatt, G. Sterling, Referee—Brazelton, Quincy college.

## WISCONSIN DOWNS ILLINOIS U., 25-23

MADISON, Wis., Feb. 10.—Wisconsin defeated Illinois tonight, 25 to 23, in a bitterly fought basketball game. Taylor starred for Wisconsin with seven field goals and three free throws, while Carney caged three field goals and nine free throws for the Illinois.

The first half ended, 9 to 8 in favor of Illinois.

## LEONARD GETS VERDICT OVER ROCKY KANSAS

NEW YORK, Feb. 10.—Benny Leonard, world's lightweight boxing champion, retained his title tonight by receiving the judges' decision over Rocky Kansas of Buffalo, at the end of their 15-round bout in Madison Square garden.

W. H. Schumaker came up from Merritt Friday to attend to business matters.

## JACKSONVILLE WON FROM JERSEYVILLE

Locals Win Thirteenth Straight—Game Was Slow Thruout, Favored by Poor Basket Shooting.

In a slow game in which poor basket shooting by both teams featured, Jacksonville high defeated Jerseyville high in David Prince gymnasium Friday night by a score of 27 to 18.

Thruout the first quarter the game was close. This, however, was because of the inability of the players of either team to hit the basket when right under it. In the second quarter Jacksonville put on a little speed and Hunter managed to get a few baskets and Putnam and Goebel also counted field baskets.

Jacksonville was not able to use its overhead passing with much success on account of the height of the Jerseyville players. Three of them were around the six foot mark and frequently intercepted passes that would have been successful against other teams.

Coch Mitchell again started Houston at guard and he played a good game. However, the Jacksonville team did not show much life until Mitchell sent Hunt into the fray. This player seems to play because he likes the game and is alive all the time. Jerseyville had a team which is said to be composed of all new men. The team did not measure up to the standard of former Jerseyville teams. However, they

have lots of fight and promise in the next year or so to develop into a squad that will give trouble to all comers. In Harris they had an excellent man on free throws. He made ten out of thirteen tries which kept his team in the running.

Toward the end of the game Mitchell sent in several substitutes and the game got rather rough. Referee Harmon called several double fouls during the closing minutes of play. The score:

## ROUTT HIGH WINS FROM VIRGINIA HIGH

Local Tossers Defeat Cass County Five 42-22—Gibert, Murgatroyd and Cooney Star.

Virginia, Feb. 10.—Routt High school defeated Virginia high at basketball here tonight by a score of 42 to 22.

The game was fast thruout and both teams worked at top speed. However, Routt had greater accuracy in basket shooting and this finally brought victory.

Gibert was the high point scorer for Routt with five field baskets. He was closely followed by Murgatroyd and Cooney, while Norris and Zell also broke into the scoring column.

Davis was high scorer for Virginia getting four field baskets and three free throws. McDonald and Bolton made the other points for Virginia. The score:

## WHITE HALL WINS FROM CHESTERFIELD

Basketball Game Friday Night Brought Score of 9 to 3 in Favor of White Hall High.

White Hall, Feb. 10.—In a slow game here tonight the White Hall high school basketball team defeated the Chesterfield high team 9 to 3. It was the fifth straight victory for White Hall. Chesterfield guarded closely and the locals were off form, which kept down the score. Chesterfield used a three man pass with very good skill but they were unable to score a field goal until the final quarter. Boyd of White Hall was the high scorer with three field goals, while Robinson scored the visitors' only field goal.

In a curtain raiser the White Hall second team won over the Chesterfield second team 7 to 4. The score of the regular game follows:

White Hall	F. G.	F. T.	Ts.

## HIGH SCHOOL NOTES.

Miss Rosetter, of the High school faculty, is expected back at the school within a few days. She has been seriously ill at Passavant hospital.

Several members of the Girls' club spent yesterday afternoon decorating the gymnasium in preparation for the Jacksonville-Jerseyville game. Red and white and orange and black were the colors used.

The auditorium yesterday was filled almost constantly with the voices of the debaters of the school, preparing for the Tri-City debate to be held next Wednesday. Members of the affirmative and negative teams strode about the stage and launched their arguments to the empty seats with fire and enthusiasm.

The question this year is one that has received much discussion and is constantly appearing before the public. It is, "Resolved: That municipal ownership and control of public utilities is desirable." The fight between Springfield, Quincy and Jacksonville will be a hot one this year, as this year decides who will win the cup.

## KNIGHTS OF COLUMBUS DEFEAT CHAPIN INDEES

Win Fast Game by Score of 24 to 10—Good Crowd Witnessed Contest.

The Knights of Columbus basketball five defeated the Knights of Columbus in Liberty hall Friday night the final score being 24 to 10.

There was a good sized crowd present and it was a game that was fast from start to finish. Clancy was the high point scorer for the Knights getting five field goals. He also played an excellent game in all departments. Other point makers for the Knights were Zell, Carson, Davlin and Rexroat.

Flynn was the chief scorer for Chapin, getting four field goals and three free throws. However, the guarding of Cain and Devlin was so close that Chapin found it difficult to get by for many close shots.

The Knights showed improved form over that of the Dokay game and feel that the game will be a benefit in preparation for the second game with the Dokays next Monday night. The score:

## LIBRARY NOTES.

There is a Lincoln display at the Public Library that is worth seeing. A number of photographs of the Lincoln birthplace farm and homestead are on exhibit with several fine pictures of the man himself. Interesting scenes of the interior of Lincoln's log cabin, tomb and of the white house, when he was president. Numerous works on the life of the great statesman are readily available by the public.

The library will be closed Monday in honor of Lincoln's birthday.

The Salvation Army has presented two new books to the library. "The War Romance of the Salvation Army" and a biography of Catherine Booth, the founder of the organization. The first is a truly gripping romance, with a capital "R." It is written by Evangeline Booth, head of the organization and the well known author, Grace Livingston Hill. It is rich in human interest, with a thrill and a laugh and a tear on every page, as it tells of the Salvation Army lasses going into the hell of the battlefields. Those brave lasses are by the thick of it all, dispensing food, comfort and cheer to our doughboys, when they needed it most. They were real comrades.

The library is very grateful to the local branch of the Salvation Army for the two books, and has placed them on the shelves, ready for the use of the public.

WILL READ AT I. W. C. J. Janette Powell will read Percy Mackaye's Jeanne D'Arc Thursday evening, Feb. 16, at 8:15 o'clock in Music hall at I. W. C. An interest in literature concerning about Joan of Arc has been aroused since the war and this tribute of Percy Mackaye's to the French heroine is of value not only historically but inspirational. Miss Powell is well known to Jacksonville audiences.

## THANKFUL FOR A LITTLE CHILD

Mrs. Mertz Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Kutztown, Pa.—"I wish every woman who wants children would try Lydia E. Pinkham's Vegetable Compound. It has done so much for me. My baby is almost a year old now and is the picture of health. She walked at eleven months and is trying to use her little tongue. She can say some words real nice. I am sending you her picture. I shall be thankful as long as I live that I found such a wonderful medicine for my troubles."—Mrs. Charles A. Mertz, Kutztown, Pa.

Many cases of childlessness are curable. Perhaps yours may be. Why be discouraged until you have given Lydia E. Pinkham's Vegetable Compound a faithful trial?

Spoken and written recommendations from thousands of women who have found health and happiness from its use have come to us. We only tell you what they say and believe. We believe that Lydia E. Pinkham's Vegetable Compound is so well adapted to the conditions which might cause your trouble that good will come to you by its use.

## MURRAYVILLE ROY SCOUTS WIN GAME

Score of 27 to 16 Marked Friday Night Game Between Murrayville Boy Scouts and Routt High School Team.

Murrayville, Feb. 10.—The Murrayville Boy Scouts played the Routt high school second team from Jacksonville Friday night and the game closed with a score of 27 to 16 in favor of the local boys. The game was a good one from start to finish and both teams put up a good strong fight. A fair sized crowd witnessed the playing. The score:

## FUNERAL SERVICES FOR LATE CHARLES OAKES

Prominent Resident of County Is Laid to Rest Friday Afternoon at Bluffs.

Bluffs, Feb. 10.—Funeral services over the remains of Charles Oakes who passed away Tuesday were held at the family home at 2 o'clock Friday the Rev. E. J. Rees having charge.

Two hymns were read by Miss Winifred Ashley and the many beautiful flowers were in charge of Misses Florence Lashmet, Vera McCall and Mrs. E. L. Kendall. The bearers were, Messrs. E. L. Kendall, O. A. Woodson, Albert Knoepfel, Clarence McCall, Clarence Castle and Leroy Castle. Burial was made in the Green cemetery. This was one of the largest funerals ever held in Bluffs as the deceased was so widely known thruout the county.

## IMPROVEMENT BOARD HELD SESSION

The board of local improvement yesterday adopted a resolution providing for the Jordan street pavement and for the West State street extension. In compliance with wishes of the property holders a change was made in the West State street improvement and the pavement will be 40 feet wide for the first 180 feet west from Webster avenue and 20 feet wide for the remaining 220 feet.

A compilation of frontage with reference to the College avenue pavement project gives the following figures:

Against the pavement, 2,712; for the pavement, 4,211 feet;

## NORMAL TACKLES ILLINOIS TONIGHT

Illinois Won Tilt at Normal Three Weeks Ago, 32 to 24—Coach Harmon Expects Hard Game Tonight

Tonight at 7:30 in the David Prince gymnasium Illinois College and Normal will meet in their second game of basketball. Three weeks ago Illinois won from Normal at Normal by the score of 32 to 24. At the end of the first half the score stood 12 to 10 in favor of Illinois and it was not until well toward the close of the game that Illinois took two scoring spurts which placed the contest on a safe margin.

According to the Bloomington papers Normal is coming down prepared to get revenge. The Normal team had been reconstructed just before the Illinois game and the Normal supporters feel that they are now ready to do themselves justice. Butzow, who was the scoring ace for the Normal team in the first game, is a former Wesleyan University player. He played a fine floor game and came through with six field goals and four free throws, making a total of 16 points out of the 24 scored by his team. He will be a marked man in tonight's game.

It was in the Normal game that Capt. Mellon of the Illinois team started on a rampage which he continued in the Eureka game. In each contest he scored

7 field goals and altogether played two of the best games of his career. Also it was in the Normal game that Dale first got a chance to show his ability. He scored three field goals and in the Eureka game he hung up four, just to show that his first performance was no fluke.

The probable line-up of the two teams in tonight's game are: Normal—Antrosius, F., Butzow, Dale, F., Watson, Mellon, C., Sullivan, Culy, G., Changnon, Hiatt, G., Sterling, Referee—Brazelton, Quincy college.

### WISCONSIN DOWNS ILLINOIS U., 25-23

MADISON, Wis., Feb. 10.—Wisconsin defeated Illinois tonight, 25 to 23, in a bitterly fought basketball game. Taylor starred for Wisconsin with seven field goals and three free throws, while Carney caged three field throws and nine free throws for the Illini.

The first half ended, 9 to 8 in favor of Illinois.

W. H. Schumaker came up from Merritt Friday to attend to business matters.

## JACKSONVILLE WON FROM JERSEYVILLE

Locals Win Thirteenth Straight—Game Was Slow Thruout, Featured by Poor Basket Shooting.

In a slow game in which poor basket shooting by both teams featured, Jacksonville high defeated Jerseyville high in David Prince gymnasium Friday night by a score of 27 to 18.

Thruout the first quarter the game was close. This, however, was because of the inability of the players of either team to hit the basket when right under it. In the second quarter Jacksonville put on a little speed and Hunter managed to get a few baskets and Putnam and Goebel also counted field baskets.

Jacksonville was not able to use its overhead passing with much success on account of the height of the Jerseyville players. Three of them were around the six foot mark and frequently intercepted passes that would have been successful against other teams.

Coach Mitchell again started Houston at guard and he played a good game. However, the Jacksonville team did not show much life until Mitchell sent Hunt into the fray. This player seems to play because he likes the game and is alive all the time. Jerseyville had a team which is said to be composed of all new men. The team did not measure up to the standard of former Jerseyville teams. However, they

have lots of fight and promise in the next year or so to develop into a squad that will give trouble to all comers. In Harris they had an excellent man on free throws. He made ten out of thirteen tries which kept his team in the running.

Toward the end of the game Mitchell sent in several substitutes and the game got rather rough. Referee Harmon called several double fouls during the closing minutes of play. The score:

## ROUTT HIGH WINS FROM VIRGINIA HIGH

Local Tossers Debat Cass County Five 42-22—Gebert, Murgatroyd and Cooney Star.

Virginia, Feb. 10.—Routt High school defeated Virginia high at basketball here tonight by a score of 24 to 22.

The game was fast thruout and both teams worked at top speed. However, Routt had greater accuracy in basket shooting and this finally brought victory.

Gebert was the high point scorer for Routt with five field baskets. He was closely followed by Murgatroyd and Cooney, while Norris and Zell also broke into the scoring column.

Davis was high scorer for Virginia getting four field baskets and three free throws. McDonald and Bolton made the other points for Virginia. The score:

Routt	F. G.	F. T.	Ts.
Gebert, f.	5	0	10

## WHITE HALL WINS FROM CHESTERFIELD

Basketball Game Friday Night Brought Score of 9 to 3 in Favor of White Hall High.

White Hall, Feb. 10.—In a slow game here tonight the White Hall high school basketball team defeated the Chesterfield high team 9 to 3. It was the fifth straight victory for White Hall. Chesterfield guarded closely and the locals were off form, which kept down the score. Chesterfield used a three man pass with very good skill but they were unable to score a field goal until the final quarter. Boyd of White Hall was the high scorer with three field goals, while Robinson scored the visitors' only field goal.

In a certain ralsier the White Hall second team won over the Chesterfield second team 7 to 4. The score of the regular game follows:

White Hall	F. G.	F. T.	Ts.
Boyd, f.	3	0	6
Good, f.	0	1	1

Referee—Dr. W. H. Broberg of the Kansas Aggies.

On Saturday night the Franklin high school basketball team will play the locals here.

### HIGH SCHOOL NOTES.

Miss Rossiter, of the High school faculty, is expected back to the school within a few days. She has been seriously ill at Passavant hospital.

Several members of the Girls' club spent yesterday afternoon decorating the gymnasium in preparation for the Jacksonville-Jerseyville game. Red and white and orange and black were the colors used.

The auditorium yesterday was filled almost constantly with the voices of the debaters of the school, preparing for the Tri-City debate to be held next Wednesday. Members of the affirmative and negative teams strode about the stage and launched their arguments to the empty seats with fire and enthusiasm.

The question this year is one that has received much discussion and is constantly appearing before the public. It is, "Resolved: That municipal ownership and control of public utilities is desirable." The fight between Springfield, Quincy and Jacksonville will be a hot one this year, as this year decides who will win the cup.

## KNIGHTS OF COLUMBUS DEFEAT CHAPIN INDEES

Win Fast Game by Score of 24 to 10—Good Crowd Witnessed Contest.

The Knights of Columbus basketball five defeated the Knights of Columbus in Liberty hall Friday night the final score being 24 to 19.

There was a good sized crowd present and it saw a game that was fast from start to finish. Clancy was the high point scorer for the Knights getting five field goals. He also played an excellent game in all departments. Other point makers for the Knights were Zell, Carson, Davlin and Rexroat.

Flynn was the chief scorer for Chapin, getting four field goals and three free throws. However the guarding of Cain and Devlin was so close that Chapin found it difficult to get by for many close shots.

The Knights showed improved form over that of the Dokay game and feel that the game will be a benefit in preparation for the second game with the Dokays next Monday night. The score:

Knights	F. G.	F. T.	Ts.
Zell, f.	1	0	2

### NORTHWESTERN SWIMMERS WIN

CHICAGO, Feb. 10.—The swimming team of Northwestern University tonight defeated the Iowa University swimmers 58 to 19 at Evanston.

Springfield High, 44; Franklin High, 12.

Burlington High, 18; Washington High, 16.

### LIBRARY NOTES.

There is a Lincoln display at the Public Library that is worth seeing. A number of photographs of the Lincoln birthplace farm and homestead are on exhibit, with several fine pictures of the man himself. Interesting scenes of the interior of Lincoln's log cabin, tomb and of the white house, when he was president. Numerous works on the life of the great statesman are readily available by the public.

The library will be closed Monday in honor of Lincoln's birthday.

The Salvation Army has presented two new books to the library. "The War Romance of the Salvation Army" and a biography of Catherine Booth, the founder of the organization. The first is a truly gripping romance, with a capital "R," and is written by Evangeline Booth, head of the organization and the well known author, Grace Livingston Hill. It is rich in human interest, with a thrill and a laugh and a tear on every page, as it tells of the Salvation Army lasses going into the hell of the battlefields. Those brave lasses were in the thick of it all, dispensing food, comfort and cheer to our doughboys, when they needed it most. They were real comrades.

The library is very grateful to the local branch of the Salvation Army for the two books, and has placed them on the shelves, ready for the use of the public.

WILL READ AT I. W. C. Janet Powell will read Percy Mackaye's Jeanne D'Arc Thursday evening, Feb. 16, at 8:15 o'clock in Music hall at I. W. C. An interest in literature centering about Joan of Arc has been aroused since the war and this tribute of Percy Mackaye to the French heroine is of value not only historically but inspirational. Miss Powell is well known to Jacksonville audiences.

## THANKFUL FOR A LITTLE CHILD

Mrs. Mertz Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Kutztown, Pa.—"I wish every woman who wants children would try Lydia E. Pinkham's Vegetable Compound. It has done so much for me. My baby is almost a year old now and is the picture of health. She walked at eleven months and is trying to use her little tongue. She can say some words real nice. I am sending you her picture. I shall be thankful as long as I live that I found such a wonderful medicine for my troubles."—Mrs. CHARLES A. MERTZ, Kutztown, Pa. Many cases of childlessness are curable. Perhaps yours may be. Why be discouraged until you have given Lydia E. Pinkham's Vegetable Compound a faithful trial? Spoken and written recommendations from thousands of women who have found health and happiness from its use have come to us. We only tell you what they say and believe. We believe that Lydia E. Pinkham's Vegetable Compound is so well adapted to the conditions which might cause your trouble that good will come to you by its use.

## MURRAYVILLE BOY SCOUTS WIN GAME

Score of 27 to 16 Marked Friday Night Game Between Murrayville Boy Scouts and Routt High School Team.

Murrayville, Feb. 10.—The Murrayville Boy Scouts played the Routt high school second team from Jacksonville Friday night and the game closed with a score of 27 to 16 in favor of the local boys. The game was a good one from start to finish and both teams put up a good strong fight. A fair sized crowd witnessed the playing. The score:

## FUNERAL SERVICES FOR LATE CHARLES OAKES

Prominent Resident of County is Laid to Rest Friday Afternoon at Bluffs.

Bluffs, Feb. 10.—Funeral services over the remains of Charles Oakes who passed away Tuesday were held at the family home at 2 o'clock Friday the Rev. E. J. Rees having charge.

Two hymns were read by Miss Winifred Ashley and the many beautiful flowers were in charge of Misses Florence Lashmet, Vera McCallib and Mrs. E. L. Kendall. The bearers were, Messrs. E. L. Kendall, O. A. Woodson, Albert Knoepfel, Clarence McCallib, Clarence Castle and Leroy Castle. Burial was made in the Green cemetery. This was one of the largest funerals ever held in Bluffs as the deceased was so widely known thruout the county.

### IMPROVEMENT BOARD HELD SESSION

The board of local improvement yesterday adopted a resolution providing for the Jordan street pavement and for the West State street extension. In compliance with wishes of the property holders a change was made in the West State street improvement and the pavement will be 40 feet wide for the first 180 feet west from Webster avenue and 20 feet wide for the remaining 520 feet.

A compilation of frontage with reference to the College avenue pavement project gives the following figures:

Against the pavement, 2,712; for the pavement, 4,211 feet.

## INCOME TAX FACTS

Forms 1096 and 1099 for reporting payments to others of \$1,000 or more during the calendar year 1921 may be obtained at offices of collectors of internal revenue and branch offices. Under the "Information at source" provision of the revenue act of 1921, report must be made by all persons, trustees, fiduciaries, guardians, and by corporations, partnerships and organizations of payment to others during the year 1921 of \$1,000 or more.

A separate return of information for each officer and employee whose salary for 1921 was \$1,000 or more is required of employers. Payment for overtime, fees, commissions, bonuses, shares in the profits, and the fair value of board and quarters furnished as part payment for services should be included in the total wages or salary paid. Fraternal organizations and associations are required to report salaries or other compensation paid to officers. The responsible officer of a church or religious organization must report salaries or remuneration paid to pastor or officers. Banks and similar organizations are required to report interest paid or credited to a depositor if the total during the year equaled or exceeded \$1,000.

Organizations having branch offices should file complete reports through the main offices.

Returns by Agents.

Real estate agents, attorneys, or persons acting for owners of property who collect rents, interest or similar income in behalf of the owners, and remit the sums so received, must make a report of the gross sums actually or constructively remitted. The agent is not permitted to make deductions for taxes, interest, cost of repairs, etc., paid in behalf of the owner in computing data for making information returns.

Amounts paid for merchandise, telegrams, telephone, freight, storage, and similar charges; premiums paid to insurance companies; amounts paid to employees for expenses incurred in business, etc., need not be reported.

Approximately 12,000,000 returns showing payments to others of \$1,000 or more were received during the year 1921. Information returns are carefully checked with individual returns, and where it is shown that a payment was not reported by the recipient, quick action by the Bureau of Internal Revenue follows. Thousands of delinquents, and delinquent taxes, penalties and interest aggregating hundreds of thousands of dollars have been discovered as the result of this audit. This year, as late information returns will be placed in the hands of deputy collectors, for use in rounding up delinquents.

Information returns must be filed with the Commissioner of Internal Revenue, Sorting Section, Washington, D. C. Collectors of internal revenue are not authorized to receive such returns. Information in each separate case of payment of \$1,000 or more is entered on Form 1099. A summary of these forms is made on Form 1096, which serves as letter of transmittal.

Heavy penalties are prescribed by the revenue act of 1921 for failure to make returns of information within the time prescribed by law—on or before March 15, 1922.

In observance of Lincoln's Birthday, a Legal Holiday, the banks of this city will not be open for business on Monday, February 13.

Jacksonville Clearing House.

## POLITICAL SITUATION FACTOR IN MARKETS

NEW YORK, Feb. 10.—The political situation was again a factor of more than local influence in today's financial markets. British ardor was perceptibly chilled by the agreement of the ways and means committee of the house to impose a tax on stock and bond transfer.

Another depressing incident was the publication of the United States Steel tonnage figures for January, disclosing a further decrease in bookings, instead of the considerable gain which was predicted in trade circles.

United States Steel common, which led yesterday's spirited rise at its highest price in more than a year was under constant pressure with kindred issues as well as issues of tobacco, specialties and chemicals.

Prices of rails and closely held miscellaneous stocks were mainly higher at the outset, but in the final hour, the last half of the session showing almost a progressive decrease of dealing.

Junior railroads over their intermittent activity to the maneuvers of pools.

Shorts also covered in this group on reports that the administration at Washington may be inclined to assist in the financial rehabilitation of the transportation systems.

Sales amounted to 735,000 shares.

Altho supplies of money were unusually large, the five per cent opening rate for call loans was maintained until the final hour when renewals extending into the coming week were made at 4 1/2 per cent. The local rate for time funds was practically unaltered, but some of the longer maturities were placed at 4 1/2 per cent on Liberty bond collateral.

Foreign exchanges continued to recede. Liberty 3 1/2 last most of its gain. Total sales \$15,875,000.

## NOTICE TO TAXPAYERS

The tax books are now in the collector's office and taxes extended stand as judgments against all parties mentioned therein.

Persons paying on personal property only should pay the tax promptly and avoid trouble and expense in collection. The judgment reads as follows: "In case any person named in said books shall neglect or refuse to pay their personal tax, you shall levy the same by distress and sale of goods and chattels of such persons." Parties paying on real estates should bring their old tax receipts to save time and avoid mistakes. If paying thru the banks, leave your old receipts with your bank as soon as possible.

W. H. WEATHERFORD  
Sheriff and Ex-Officio Collector

## J. L. HENRY HELD HOG SALE FRIDAY

Attendance Was Large and Offerings Brought Satisfactory Prices.

The Poland China hog sale of Jess L. Henry was held at the farm near Woodson Friday. The attendance was unusually large and there was spirited bidding on the entire offering. Forty-five head were catalogued and these consisted of bred sows and gilts and sold at an average of \$47.13 per head.

In addition to the registered stock offered there were 80 head of stock hogs sold and these brought an average of \$8 per head. A number of cows were sold at prices ranging from \$46 to \$66 per head.

The auctioneers were William Crum, C. J. Wright and Bert Way. Frank Flynn and A. T. Kitzer acted as clerks of the sale which totaled over \$3100. The Ladies Aid of Woodson Christian church served lunch.

## INCOME TAX FACTS

Forms 1096 and 1099 for reporting payments to others of \$1,000 or more during the calendar year 1921 may be obtained at offices of collectors of internal revenue and branch offices. Under the "information at source" provision of the revenue act of 1921, report must be made by all persons, trustees, fiduciaries, guardians, and by corporations, partnerships and organizations of payment to others during the year 1921 of \$1,000 or more.

A separate return of information for each officer and employee whose salary for 1921 was \$1,000 or more is required of employers. Payment for overtime fees, commissions, bonuses, shares in the profits, and the fair value of board and quarters furnished as part payment for services should be included in the total wages or salary paid. Fraternal organizations and associations are required to report salaries or other compensation paid to officers. The responsible officer of a church or religious organization must report salaries or remuneration paid to pastor or officers. Banks and similar organizations are required to report interest paid or credited to a depositor if the total during the year equaled or exceeded \$1,000.

Organizations having branch offices should file complete returns through the main offices.

Real estate agents, attorneys, or persons acting for owners of property who collect rents, interest or similar income in behalf of the owners, and remit the sums so received, must make a report of the gross sums actually or constructively remitted. The agent is not permitted to make deductions for taxes, interest, cost of repairs, etc., paid in behalf of the owner in computing data for making information returns.

Amounts paid for merchandise, telegrams, telephone, freight, storage, and similar charges; premiums paid to insurance companies; amounts paid to employees for expenses incurred in business, etc., need not be reported.

Approximately 12,000,000 returns showing payments to others of \$1,000 or more were received during the year 1921. Information returns are carefully checked with individual returns, and where it is shown that a payment was not reported by the recipient, quick action by the Bureau of Internal Revenue follows. Thousands of delinquents, and delinquent taxes, penalties and interest aggregating hundreds of thousands of dollars have been discovered as the result of this audit.

A summary of these forms is made on Form 1096, which serves as letter of transmittal.

Heavy penalties are prescribed by the revenue act of 1921 for failure to make returns of information within the time prescribed by law—on or before March 15, 1922.

## POLITICAL SITUATION FACTOR IN MARKETS

NEW YORK, Feb. 10.—The political situation was again a factor of more than local influence in today's financial markets.

British aid was perceptibly crippled by the agreement of the ways and means committee of the house to impose a tax on stock and bond transfer.

Another depressing incident was the publication of the United States Steel tonnage figures for January, disclosing a further decrease in bookings, instead of the anticipated gain which was predicted in trade circles.

United States Steel common, which led yesterday's spirited rise at its highest price in more than a year was under constant pressure with kindred issues as well as issues of tobacco, specialties and chemicals.

Miscellaneous stocks were mainly higher at the outset, hesitant and midday and heavy in the final hour, the last half of the session showing almost a progressive decrease of dealing.

Junior rails owed their intermittent activity to the maneuvers of pools.

Shorts also covered in this group, reports that the administration at Washington may be inclined to assist in the financial rehabilitation of the transportation systems.

Sales amounted to 735,000 shares.

Altho supplies of money were unusually large, the five per cent coupon rate for call loans was maintained until the final hour when renewals extending into the coming week were made at 4 1/2 per cent. The local rate for time funds was practically unaltered but some of the longer maturities were placed at 4 1/2 per cent on Liberty bond collateral.

Foreign exchanges continued to recede. Total sales \$15,875,000.

## BUILDING FACTS PRESENTED TO ROTARY

Mr. Schuck, Springfield Lumberman Pointed to Evils of Double Traction System — Dr. Adler, State Criminologist Gave Interesting Facts About Mentality Tests.

Rotarians had a full program at their Friday luncheon at the Pacific Hotel yesterday noon. Members were especially glad to welcome back their president Vincent R. Riley, who has been absent from a recent meeting or two on account of illness.

C. W. H. Schuck of Springfield made an address on building conditions and Dr. Herman Adler, state criminologist and head of the bureau of juvenile research, gave some inkling of the work in which he is engaged.

P. H. Cogswell, president of the Springfield Rotary club, extended greetings from his organization. Other guests present were J. M. Johnson of Lamar, Colo., J. K. Payton, Springfield Rotarian; George A. Smith, Frank L. Mawson, L. V. Baldwin, Harrison King and Dr. A. B. Applebee of Jacksonville.

The committee recently appointed to consider the matter spoke in a most encouraging way of the possibility of the candidacy of Rev. M. L. Pontius as district governor of the Rotary organization. The committee membership was increased and it was the expressed wish of the club that everything possible be done to impress the other Rotary organizations in the district that the honor of having the district governor belongs this year to the Jacksonville club.

**Building Difficulties.** Mr. Schuck is a member of the lumber firm of Schuck & Son and he made a most interesting address, especially with reference to the building situation. The speaker emphasized particularly some of the present day difficulties in the financing of building projects, particularly because of the unavailability of real estate mortgage investments by comparison with other investments that are available.

He used various illustrations to show that the banks very frequently prefer to use their money in the purchase of government paper, which is tax free instead of loaning their funds to merchants or house builders where there would be some element of risk and an interest return not equaling the other plan of investment.

One of the illustrations proved how readily double taxation results when one man borrows from another upon real estate mortgage. The speaker referred to the proposal to make mortgages of \$5,000 and under non-taxable and the issuance of special class of so-called "domestic" mortgages for the very purpose of encouraging people to own their own homes.

Mr. Schuck also mentioned the effect that home owning has on citizenship, showing that the man who does own his own home becomes a better citizen. Mr. Schuck made the assertion that if the problem of the mortgage investment could be strangled out that the present represents an excellent time for building, that costs have dropped 25 to 30 percent by comparison with the high point of a year or two ago.

**Mentality Tests.** Dr. Herman Adler, who as indicated is state criminologist and head of the bureau of juvenile research in Illinois, said that criminology is the study of mental conditions which may lead to crime. Dr. Adler and associates are in the city now, making tests of the mentality of pupils at the School for the Deaf and the School for the Blind. He made interesting explanation of the facts which have been compiled thru a general research and by the use of the data supplied by the inspections when men were examined for U. S. army service.

He said that these statistics, based upon the millions of examinations made of soldiers revealed the fact that the intelligence of the average person is but that of a child fourteen years old. Various other facts were presented all going to show the serious and valuable work which this department of endeavor represents.

## RESERVE SPACE

Merchants, manufacturers, lodges and others who would like to have a booth and be represented at Jacksonville's third, and greatest Auto Show and Merchants and Manufacturers' Exposition at the Auto Inn the last week in March, should reserve space at once. About three-fourths of the available space is already reserved. Phone or see J. F. Claus, John G. Berger, Harold Welsh or E. A. Olds and floor plan of Auto Inn will be shown you. Get in line for the big event that will bring thousands to town. Lots to see, do, and enjoy. The canvassing committee is making the rounds as fast as possible, but space may be gone before they get to you, so call them.

## SPACE COMMITTEE

BENTON GRUBBS IS GUEST HERE. Mrs. Grubbs, daughter of Benton, is spending the weekend with Miss Irene Smith at the Illinois State School for the Deaf. An at-home party will be given this evening by Mrs. Smith for her guest. The company will include ten couples from the junior class of the high school.

## CLUBS AND SOCIETY

### Hostess to Sorosis.

Sorosis met yesterday afternoon with Miss Mary Rhodes as hostess at her home on West College avenue. Miss Rhodes had the paper for the day and spoke on the subject of "American Painters," giving special emphasis to the Hudson River School and the great American school of landscape painting. During the social hour at the close of the discussion dainty afternoon tea was served.

### Valentine Party at Edelbrock Home.

A charming little valentine party was given last evening at the home of Mr. and Mrs. W. J. Edelbrock on Pine street when Misses Dorothy and Frances Blumling and Lola Edelbrock were joint hostesses to a number of their high school friends. There were fourteen guests present and the young people had a very gay evening playing games appropriate to the St. Valentine season. Pretty favors of hearts, Cupids and other symbols of the popular season were given to the guests and the delicious refreshments served during the evening also carried out this idea.

### Birthday Dance at Smith Home.

Mr. and Mrs. Howard Smith were the hosts at a delightful dance given last evening at their home on South Main street. The affair was in celebration of Mrs. Smith's birthday which occurred yesterday. Twelve couples were invited to spend the evening and the hours were spent with dancing. The dainty refreshments served at a late hour carried out the note of St. Valentine's Day.

### Hostess to Fine Point Club.

Mrs. Frances Brown entertained the member of the Fine Point Club yesterday afternoon at her home on West State street. A large number of the ladies were present and the affair proved a most delightful one. Attractive refreshments were served by the hostess during the afternoon. Mrs. George Mathews, Mrs. William Barr Brown, Mrs. George O'Carroll, Mrs. Byron Gabley and Miss Grace Carter were guests of the hostess at yesterday's meeting.

### Elks Dance Last Night.

The Elks and their families enjoyed another of their regular dances last evening at the Elks home. A splendid program of dance music was furnished by the Darley-Brown Sorenaders and everyone spent a delightful evening. There were a number of out of town Elks and their friends present. The dance was in charge of the social committee.

### Party for Mrs. Craugh.

Miss Mary Lyons was the hostess at a charming card party given last evening at her home on West Lafayette avenue in honor of Mrs. Joseph Craugh of New York City, who is visiting friends in Jacksonville. Mrs. Craugh was formerly Miss Lucille Gruber of this city and attended Rount College. The guests last evening were a number of the class mates of the guest of honor. The evening was very enjoyably spent in playing cards and the hostess served dainty refreshments.

### Birthday Party.

Anna Margaret Vannier celebrated her 11th birthday with twenty-two little friends as her guests. Games and contests made the evening one of much pleasure for those present. Afterward a large birthday cake with a dainty lunch was served and the occasion was one all will remember with pleasure.

### Guild Works For Passavant.

The Young Woman's Guild of the Congregational church met yesterday afternoon with Mrs. George E. Stuckney at the church parsonage. A short business session was held and routine business transacted. The hours were spent in making surgical dressings for Passavant Hospital and during the afternoon the hostess served attractive refreshments.

### Birthday Party for Twins.

Mr. and Mrs. Joseph Ludwig gave a six o'clock dinner party last evening at their home on South East street in honor of their twin sons, Russel and Roland Ludwig, whose seventeenth birthday occurred yesterday. A most delicious dinner menu was served by Mrs. Ludwig and the remainder of the evening was spent with games and music. The guests of this delightful affair included Trevor and Arthur Bossarte, Claude and Clyde Cook, Edwin Fay and Malchiel Hart.

### A Lincoln Party.

Members of the W. C. T. U. yesterday received invitations to a party in the following lines: Saturday, February 11th, 1922. At 1:30 P. M. College Avenue. Your presence we will ask in costumes but not masks. To grace a Lincoln party. At 2:30 we'll sing and play. At Charlotte F. Gray's. A welcome awaits you. All both great and small.

### Father and Son Banquet at Lynnvill.

The Father and Son banquet held last evening at Lynnvill Christian church was an unequalled success. It was a Union meeting, the M. E. and Christian churches holding their exercises jointly.

One hundred and five fathers and sons were seated at the supper table. An oyster supper was served and a most interesting program was given. The principal speaker of the

## ROBBERS ENTER WOODSON STORE

L. A. Fitzsimmons' Store Entered Early This Morning—Robbers Exchange Shots With Watchman.

Woodson, Feb. 11.—(Special to Journal.)—At 1:30 o'clock this (Saturday) morning Night Watchman John O'Brien surprised four robbers in the L. A. Fitzsimmons store and exchanged shots with them.

Two of the robbers entered the store thru the front door while two others stood watch at the Alton railroad station. They evidently had only been in the store a few minutes when they were discovered by O'Brien.

The latter shot at the robbers and they returned the fire and ran for the back door and made their escape. The men headed south. Sheriff Weatherford was notified and hurried to the scene with Deputy Roach and in company with O'Brien entered on pursuit of the thieves. The men evidently are transients and were on foot or at least they left Woodson on foot. The robbers secured about \$6 in cash from the register and a shotgun.

## FARMERS WILL GIVE GRAIN FOR ORPHANS

Plan for Morgan County to Aid Starving in the Near East.

Morgan county farmers are being asked to join at this time in contributing grain for the starving orphans of Bible lands, and for the starving in Russian Armenia. Frank I. Mann of Gilman is the state chairman of the agricultural committee in this. Secretary relief work, and he yesterday sent the following telegram to W. H. Crum, the Morgan county chairman:

"South Dakota already loaded one hundred forty six cars of grain, Nebraska ninety four, Indiana eighty five, Iowa fifty, Illinois only eight. Illinois farmers as big hearted and generous as any but they must give quickly as free shipment ends February 28. How many cars can you get immediately?"

The Morgan county general committee, of which Rev. W. H. Marbach is chairman, will aid the farmers in this work in every way and a special committee is being appointed and directed to seek contributions of grain. The pledge cards which are being circulated read something like this: "I hereby agree to deliver to a designated elevator—bushels of grain. This is my share of the Illinois farmers' quota of grain for the starving orphans of Bible lands and Russian Armenia who are survivors of Our Allies in the World War."

It is hoped that Morgan county farmers will all provide two cars of grain for this excellent cause.

Edward Newell of Sinclair paid the city a visit Friday.

## See Reno Saw Lady in Half at Grand Theatre today matinee and night.

evening was Rev. Myron L. Pontius, pastor of Central Christian church, Jacksonville. G. T. Wetzel gave the invocation and the benediction was given by Rev. L. R. Cronkhite. After the supper and social hour commencing singing was rendered and a number of four minute talks were made by a number of guests present. The meeting was a most enjoyable one to all present and helpful in every way.

### South Side Circle at Home of Mrs. Lent.

Mrs. C. W. Lent was hostess to the South Side Circle Friday afternoon at her home on South Pine street. Mrs. J. W. Winchester had the paper of the day and spoke in an interesting and helpful way on the subject of "Good Citizenship," speaking of the attributes which go to make for good intelligent use of the privilege and responsibilities of citizenship.

Mrs. Stella Mahon sang a group of songs and Mrs. Clarence Ratauchuk gave a number of delightful readings. A number of piano selections by Mrs. J. Edgar Martin and a reading by Charles Lent, Jr., completed the afternoon's program. During the pleasant social hour the hostess served attractive refreshments.

## GET TOGETHER MEET AT C. OF C. ROOMS

Program Given Friday Evening Especially for Traveling Men—Vaudeville Followed the Address.

The get-together meeting for members of the Chamber of Commerce and traveling men of this city Friday evening proved a very happy event. The program began with mass singing led by Dr. Thomas Smith. Then brief introductory remarks made by Dr. Y. Y. Rowe, chairman of the Chamber of Commerce, who introduced Dr. J. R. Barker for a short address. Dr. Barker, who is always a loyal advocate of Jacksonville, gave some of the reasons why citizens can be gratified over the present conditions and hopeful for the future. Reference was made to the assets that the educational institutions of the community constitute for the city, but for the most part Dr. Barker talked about the city from a business point of view.

Col. O. C. Smith was another speaker and discussed particularly bonus legislation now before congress, pointing out not only the deserts of the ex-service men in this matter but the resulting benefit to the country at large.

The interest in the program was increased by an excellent specialty given by Henderson & Dupont, a vaudeville team from the Grand Opera house. Good musical numbers were also introduced by Thomas Hough, Galesburg; Edgar Dresschman, of Quincy; Jack Randall, Springfield, and Charles McGinnis of Champlain.

Following this varied program came a social hour, when sandwiches and coffee were served. In every way it was an enjoyable occasion and served to show the traveling men how much Jacksonville values them as citizens.

Mr. Schuck also mentioned the effect that home owning has on citizenship, showing that the man who does own his own home becomes a better citizen. Mr. Schuck made the assertion that if the problem of the mortgage investment could be straightened out that the present represents an excellent time for building, that costs have dropped 25 to 30 percent by comparison with the high point of a year or two ago.

### Mentality Tests.

Dr. Herman Adler, who as indicated is state criminologist and head of the bureau of juvenile research in Illinois, said that criminology is the study of mental conditions which may lead to crime. Dr. Adler and associates are in the city now, making tests of the mentality of pupils at the School for the Deaf and the School for the Blind. He made interesting explanation of the facts which have been compiled thru a general research and by the use of the data supplied by the inspections when men were examined for U. S. army service.

He said that these statistics, based upon the millions of examinations made of soldiers revealed the fact that the intelligence of the average person is but that of a child fourteen years old. Various other facts were presented all going to show the serious and valuable work which this department of endeavor represents.

### RESERVE SPACE

Merchants, manufacturers, lodges and others who would like to have a booth and be represented at Jacksonville's third, and greatest Auto Show and Merchants and Manufacturers' Exposition at the Auto Inn the last week in March, should reserve space at once. About three-fourths of the available space is already reserved. Phone or see J. F. Claus, John G. Berger, Harold Welsh or E. A. Olds and floor plan of Auto Inn will be shown you. Get in line for the big event that will bring thousands to town—Lots to see, do, and enjoy. The canvassing committee is making the rounds as fast as possible, but space may be gone before they get to you, so call them.

## CLUBS AND SOCIETY

Hostess to Sorosis.

Sorosis met yesterday afternoon with Miss Mary Rhodes as hostess at her home on West College avenue. Miss Rhodes had the paper for the day and spoke on the subject of "American Painters," giving special emphasis to the Hudson River School and the great American school of Landscape Painting. During the social hour at the close of the discussion dainty afternoon tea was served.

### Valentine Party at Edelbrock Home.

A charming little valentine party was given last evening at the home of Mr. and Mrs. W. J. Edelbrock on Pine street when Misses Dorothy and Frances Blinn and Lela Edelbrock were joint hostesses to a number of their high school friends. There were fourteen guests present and the young people had a very gay evening playing games appropriate to the St. Valentine season. Pretty favors of hearts, Cupids and other symbols of the popular season were given to the guests and the delicious refreshments served during the evening also carried out this idea.

### Birthday Dance at Smith Home.

Mr. and Mrs. Howard Smith were the hosts at a delightful dance given last evening at their home on South Main street. The affair was in celebration of Mrs. Smith's birthday which occurred yesterday. Twelve couples were invited in to spend the evening and the hours were spent with dancing. The dainty refreshments served at a late hour carried out the note of St. Valentine's day.

### Hostess to Fine Point Club.

Mrs. Frances Brown entertained the member of the Fine Point Club yesterday afternoon at her home on West State street. A large number of the ladies were present and the affair proved a most delightful one. Attractive refreshments were served by the hostess during the afternoon. Mrs. George Mathews, Mrs. William Barr Brown, Mrs. George Orear, Mrs. Byron Galley and Miss Grace Carter were guests of the hostess at yesterday's meeting.

### Elks Dance Last Night.

The Elks and their families enjoyed another of their regular dances last evening at the Elks home. A splendid program of dance music was furnished by the Darley-Brown Serenaders and everyone spent a delightful evening. There were a number of out of town Elks and their friends present. The dance was in charge of the social committee.

### Party for Mrs. Craugh.

Miss Mary Lyons was the hostess at a charming card party given last evening at her home on West Lafayette avenue in honor of Mrs. Joseph Craugh of New York City, who is visiting friends in Jacksonville. Mrs. Craugh was formerly Miss Lucile Gruber of this city and attended Rout College. The guests last evening were a number of the class mates of the guest of honor. The evening was very enjoyably spent in playing cards and the hostess served dainty refreshments.

### Birthday Party.

Anna Margaret Vannier celebrated her 11th birthday with twenty-two little friends as her guests. Games and contests made the evening one of much pleasure for those present. Afterwards a large birthday cake with a dainty lunch was served and the occasion was one all will remember with pleasure.

### Guild Works For Passavant.

The Young Woman's Guild of the Congregational church met yesterday afternoon with George E. Stokney at the church parsonage. A short business session was held and routine business transacted. The hours were spent in making surgical dressings for Passavant Hospital and during the afternoon the hostess served attractive refreshments.

### Birthday Party for Twins.

Mr. and Mrs. Joseph Ludwig gave a six o'clock dinner party last evening at their home on South East street in honor of their twin sons, Russell and Roland Ludwig, whose seventeenth birthday occurred yesterday. A most delicious dinner menu was served by Mrs. Ludwig and the remainder of the evening was spent with games and music. The guests of this delightful affair included, Tryor and Arthur Bossarte, Claude and Clyde Cook, Edwin Fay and Malachai Hart.

## ROBBERS ENTER WOODSON STORE

L. A. Fitzsimmons' Store Entered Early This Morning—Robbers Exchange Shots With Watchman.

Woodson, Feb. 11.—(Special to Journal.)—At 1:30 o'clock this (Saturday) morning Night Watchman John O'Brien surprised four robbers in the L. A. Fitzsimmons store and exchanged shots with them.

Two of the robbers entered the store thru the front door while two others stood watch at the Alton railroad station. They evidently had only been in the store a few minutes when they were discovered by O'Brien.

The latter shot at the robbers and they returned the fire and ran for the back door and made their escape. The men headed south.

Sheriff Weatherford was notified and hurried to the scene with Deputy Roach and in company with O'Brien entered on pursuit of the thieves. The men evidently are transients and were on foot or at least they left Woodson on foot.

The robbers secured about \$6 in cash from the register and a shotgun.

## FARMERS WILL GIVE GRAIN FOR ORPHANS

Plan for Morgan County to Aid Starving in the Near East.

Morgan county farmers are being asked to join at this time in contributing grain for the starving orphans of Bible lands, and for the starving in Russian Armenia. Frank I. Mann of Gilman is the state chairman of the agricultural committee in this Near East relief work, and he yesterday sent the following telegram to W. H. Crum, the Morgan county chairman:

"South Dakota already loaded one hundred forty six cars gift grain, Nebraska ninety four, Indiana eighty five, Iowa fifty, Illinois only eight. Illinois farmers as big hearted and generous as any but they must give quickly as free shipment ends February 28. How many cars can you get immediately?"

The Morgan county general committee, of which Rev. W. H. Marchant is chairman, will aid the farmers in this work in every way and a special committee is being appointed in each precinct to seek contributions of grain. The pledge cards which are being circulated read something like this: "I hereby agree to deliver to a designated elevator—bushels of grain. This is my share of the Illinois farmers' quota of grain for the starving orphans of Bible lands and Russian Armenia who are survivors of Our Allies in the World War."

It is hoped that Morgan county farmers will at least provide two cars of grain for this excellent cause.

Edward Newell of Sinclair paid the city a visit Friday.

See Reno Saw Lady in Half at Grand Theatre today matinee and night.

evening was Rev. Myron L. Pontius, pastor of Central Christian church, Jacksonville. Rev. G. T. Wetzel gave the invocation and the benediction was given by Rev. L. R. Cronkrite.

After the supper and social hour community singing was rendered and a number of four minute talks were made by a number of persons present. The meeting was a most enjoyable one to all present and helpful in every way.

South Side Circle at Home of Mrs. Lent.

Mrs. C. W. Lent was hostess to the South Side Circle Friday afternoon at her home on South Prairie street. Mrs. J. W. Winchester had the paper of the day and spoke in an interesting and helpful way on the subject of "Good Citizenship," speaking of the attributes which go to make for good intelligent use of the privilege and responsibilities of citizenship.

Mrs. Stella Mahon sang a group of songs and Mrs. Clarence Batechak gave a number of delightful readings. A number of piano selections by Mrs. J. Edgar Martin and a reading by Charles Lent, Jr., completed the afternoon's program. During the pleasant social hour the hostess served attractive refreshments.

# Spring Hats \$2.50 to \$7

Most every man is a judge of style, but it's our business to know quality. Through our years of Hat experience we know what men want in headwear. Light colors will predominate this season—colors: Mint, Filbert, Moth and Zinc. Reall good looking hat styles, you'll say when you see them.

## GET TOGETHER MEET AT C. OF C. ROOMS

Program Given Friday Evening Especially for Traveling Men—Vaudeville Followed the Addresses.

The get-together meeting for members of the Chamber of Commerce and traveling men of the city Friday evening proved a very happy event. The program began with mass singing led by Dr. Thomas Smith. Then brief introductory remarks were made by R. Y. Rowe, chairman of the Chamber of Commerce, who introduced Dr. J. R. Harker for a short address. Dr. Harker, who is always a loyal advocate of Jacksonville, gave some of the reasons why citizens can be gratified over the present conditions and hopeful for the future. Reference was made to the assets that the educational institutions of the community constitute for the city, but for the most part Dr. Harker talked about the city from a business point of view.

Col. O. C. Smith was another speaker and discussed particularly bonus legislation now before congress, pointing out not only the deserts of the ex-service men in this matter but the resulting benefits to the country at large.

The interest in the program was increased by an excellent specialty given by Henderson & Dupont, a vaudeville team from the Grand Opera house. Good musical numbers were also introduced by Thomas Hough, Galesburg; Edgar Dresselman, of Quincy; Jack Handell, Springfield, and Charles McGinnis of Champlain.

Following this varied program came a social hour, when sandwiches and coffee were served. In every way it was an enjoyable occasion and served to show the traveling men how much Jacksonville values them as citizens.

## HOGS PAID OUT.

The Bloomington Poultryman recently talked to C. A. Rowe at the University of Illinois, and quotes him as follows in a recent issue:

"C. A. Rowe of Jacksonville, one of the pioneer corn judges, and a widely known corn grower and pig raiser, was seen at the U. of I. short course in agriculture. Asked about his farming under the low prices of the past year, he said that he believed under the low prices of the corn even. He had not made a complete balance sheet, but an examination of his figures convinced him of this. It means a great deal, probably more than he said, when as there a farmer and as careful a figure as Mr. Rowe makes such a statement."

"He said that he would not have come out even if he had depended on the corn alone for his returns. A few minutes after Mr. Rowe's statement a Douglas county farmer spoke to the same effect to a Pantryman, that he had made something on hogs last year. Confirmation again that the livestock man or the diversified farmer had more chance of success and profit than the

man whose whole interest is in grain growing."

## Help your Moulting Moults

Moulting time is the time that a hen needs assistance. It is the off-season in the life of the hen.

Think of the amount of a hen's energy, vitality and red blood that's required to reproduce a thousand feathers! (which is only an average plumage).

A moulting hen needs good health, good appetite and digestion. That's just what Pan-a-ce-a does for a moulting hen—gives her appetite and good digestion, so that she'll eat more and digest more.

## Dr. Hess' Poultry PAN-A-CE-A

Helps your poultry through the moult. And starts your pullets and moulting hens to laying.

It contains Tonics that produce appetite and good digestion—Tonics that tone up the dormant egg organs—iron that gives a moulting hen rich, red blood and a red comb. It contains internal Antiseptics that destroy disease germs that may be lurking in the system.

No disease where Pan-a-ce-a is fed  
Pan-a-ce-a helps your poultry to stay at par during the moult. They don't become run-down, pale and thin.

## DR. J. C. BLAIR TALKS TO WOMAN'S CLUB

Professor of Horticulture at University of Illinois Delivers Interesting Address.

The lecture on "Ornamental Planting," delivered yesterday morning at 11 o'clock, at the Maplewood Sanatorium on South Diamond street. The deceased was seventy-two years old and had been a patient at the sanatorium for some time.

The body was taken to Cody's undertaking parlors to be prepared for burial and will be shipped to Farmington, Ill., for funeral services. Interment will be made in Elmwood, Ill.

A large audience assembled in the I. O. O. F. hall on East State street and the meeting proved an interesting one in every respect. Before the address Mrs. Marguerite Palmer of Forest, of the faculty of the College of Music sang a group of songs in her usual charming manner. Her selections were "Damon" by Stange; "Day Is Done," by Lang; "Consecration" by Manney. Mrs. Forrest was accompanied by Miss Grace Terhune.

Mrs. Carl E. Black, chairman of the program committee for the meeting then introduced Dr. Blair. The lecture was illustrated throughout with excellent stereoscopic slides. The first part of Dr. Blair's lecture was devoted to a historical outline of what has been done in Illinois during the last decades, in the matter of ornamental planting and gardening. With the modern attitude toward this form of community improvement greater progress can be made during the next few years than has been made during the last eighty years Dr. Blair declared.

Many Years Experience. Dr. Blair has had twenty five years of experience in landscape work at the University and he has done a great deal in the planning of parks and the improvement of residence districts not only in his own city but also in other states. He emphasized the importance of well planned city parks and said that to attain growth and keep abreast of the times a city must have a well developed system of parks and playgrounds.

Next to the beautifying of city parks, the development of the home grounds is of greatest importance. Not only the interest of the individual, but community interest must be manifest if best results are obtained. The city engineer or other municipal officers often allow sidewalks to be set so close to the street that telegraph poles are made extremely prominent and unsightly and no space is left for lawn and parking. Houses are placed too close to the street to allow room for lawns or ornamental planting, and the building line is irregularly observed. Dr. Blair is a strong advocate of zoning laws in Illinois, which would give municipal government the right to regulate these things, and make for more beautiful and well planned cities. Dr. Blair has an office in Chicago and spends one day a week there, giving professional advice in regard to city zoning.

By the use of "before" and "after" slides, Dr. Blair showed what had been accomplished in 10 years in a district where there had been nothing but open "prairie lots." Houses set well back from the street with room for wide lawns and simple artistic shrubbery transformed an ugly, unsightly area into a place of almost unbelievable beauty. The results accomplished by the use of a small quantity of wisely chosen and artistically placed shrubbery show that the work is well worth while. The speaker warned his audience against the over-crowding of shrubbery and outlined the principles for the development of home grounds. He emphasized the advantages of the "Illinois Way" of planting in which the shrubbery is grouped with relation to the buildings, over the "gaudy way" in which the plants and shrubs are scattered promiscuously over the premises.

Beautifying Highways. A group of slides was then shown illustrating what can be done to beautify highways. A number of beautiful pictures of spots along Illinois roads and water ways and in our native woodland brought out the natural beauty of the Illinois prairie lands.

Other points of civic beauty were brought out in speaking of the development of ornamental planting to screen unsightly spots. Dr. Blair also urged the use of landscape architects in beautifying school grounds and thus develop a sense of art and beauty in the children of the country. An other practical suggestion which Jacksonville might well heed, was the plea for a more artistic and slightly "civic front door"—the railroad depot. With the judicious use of a little shrubbery the average unsightly depot may be made a spot of beauty, an invitation and a welcome to those coming into a city.

Following the address a social hour was spent and the hostesses served delicious refreshments. Mrs. J. R. Davis was the chairman of the hostess committee and she was assisted by Madames J. J. Reeve, Charles Herald, W. O. Baumgartner, W. E. Gilbert, J. Grey, Cleary, Albert Curry, Homer Wood, E. D. Herald and Misses Bessie Harrison and C. E. McArthur.

## Hostesses at Unique Party.

Miss Olga Sapio and Miss Beatrice Horsburgh of the faculty of the College of Music entertained at their home on West Lafayette avenue last evening at a very delightful and unique party. The affair was called a "stock exchange party" and each guest brought with them a stock which was then "auctioned off." This afforded much merriment and the evening was a pleasant one in every respect. The guest list was limited to a number of the hostesses' friends. During the evening attractive refreshments were served.

## DIED FROM TAKING DOSE OF POISON

Mrs. William Hagen Passed Away at Hospital Here—Had Been In Ill Health for Long Period—Funeral Monday at New Berlin.

Mrs. William Hagen died at Passavant hospital at 5:30 o'clock Saturday afternoon as the result of a dose of poison taken with suicidal intent Friday afternoon. Mrs. Hagen's home is about eight miles northeast of Jacksonville. Last year for a number of months Mrs. Hagen was a patient at a sanatorium for the treatment of mental diseases. After her return home members of the family kept a rather close watch upon her as she had symptoms of melancholia.

Friday afternoon Mrs. Hagen was in an upstairs room rocking one of the children. She remained there longer than members of the family expected and one of them went to the room to find her. Entering the room, they noticed that Mrs. Hagen had just taken a drink from a glass, and investigation proved that she had taken a number of tablets containing bichloride of mercury. The tablets had been used in treating an injury which one of the children received recently.

As soon as it was found that Mrs. Hagen had taken the poison a physician was notified and she was brought to Passavant hospital. There Dr. A. M. King attended her and everything possible was done for her relief, but the end came at 5:30 Saturday afternoon.

The remains of Mrs. Hagen were taken to the Funeral Home of W. W. Gillham and Coroner Rose will hold an inquest there today at 1:30 o'clock. After the inquest the body will be taken to the family home northeast of Jacksonville.

Mrs. Hagen's maiden name was Mary F. Horn and her marriage to William L. Hagen took place Feb. 1, 1911 at New Berlin. The deceased is survived by her husband and three children, William, Arthur and Genevieve. She leaves also three brothers, Henry Hagen of Alexander and Carl and William Horn of New Berlin.

The deceased during her mature years was a faithful member of the Lutheran church at New Berlin. The funeral will be held at that church Monday afternoon at 1 o'clock, in charge of Rev. J. G. Kuppler. Interment will be made in New Berlin cemetery.

## D. E. SWEENEY HOME DAMAGED BY FIRE

Fire which was started by sparks from a chimney badly damaged the residence of D. E. Sweeney, 922 South East street, Saturday morning.

The fire was discovered about 10:20 o'clock and the entire roof was in flames before the alarm was turned in. The department made a quick run and soon had the flames under control.

The entire roof was burned off the house and the furniture in the upper rooms as well as the rooms suffered great damage. The furniture in the lower rooms was removed by neighbors and escaped damage.

The loss will total several thousand dollars and is fully covered by insurance.
